ICAN CITIES APPEAL

A global call from cities and towns in support of the
UN Treaty on the Prohibition of Nuclear Weapons

About the Appeal

Nuclear weapons pose an unacceptable threat to people everywhere. This is why, on 7 July 2017, 122 nations voted to adopt the Treaty on the Prohibition of Nuclear Weapons. All national governments are now invited to sign and ratify this crucial global agreement, which prohibits the use, production and stockpiling of nuclear weapons and lays the foundations for their total elimination. Cities and towns can help build support for the treaty by endorsing the ICAN Cities Appeal.

Text of the Appeal

“Our city/town is deeply concerned about the grave threat that nuclear weapons pose to communities throughout the world. We firmly believe that our residents have the right to live in a world free from this threat. Any use of nuclear weapons, whether deliberate or accidental, would have catastrophic, far-reaching and long-lasting consequences for people and the environment. Therefore, we support the Treaty on the Prohibition of Nuclear Weapons and call on our governments to sign and ratify it.”

How to endorse the Appeal

The mayor or administrator of the local government should send an email to info@icanw.org indicating that the city/town has agreed to endorse the ICAN Cities Appeal. This appeal is for local governments of cities/towns in nations that have not yet ratified the Treaty on the Prohibition of Nuclear Weapons.

Suggestions for further action

- 1. Write to the national government:** Inform the foreign minister or other relevant official that your city/town has endorsed the ICAN Cities Appeal.
- 2. Inform the media:** Issue a press release announcing that your city/town has joined the call for the national government to sign and ratify the UN Treaty on the Prohibition of Nuclear Weapons.
- 3. Inform your residents:** Distribute information or hold a public exhibition about the threat of nuclear weapons and global efforts to eliminate this threat.
- 4. Divest public funds:** Take steps to ensure that funds administered by your city/town are not invested in companies that produce nuclear weapons. See www.dontbankonthebomb.com.

A resolution of the council of the City of Flagstaff supporting the Treaty on the Prohibition of Nuclear Weapons, since our City is deeply concerned about the grave threat that nuclear weapons pose to communities throughout the world. We firmly believe that our residents have the right to live in a world free from this threat. Any use of nuclear weapons, whether deliberate or accidental, would have catastrophic, far-reaching and long-lasting consequences for people and the environment. Therefore, we support the Treaty on the Prohibition of Nuclear Weapons and call on our governments to sign and ratify it.

although the US Fed. Gov. hasn't ratified the TPNW for obvious reasons
Whereas, the City of Flagstaff joins over 70 other US Cities that have endorsed the TPNW. -/6

Whereas, the City Council of Flagstaff recognizes this resolution on the International Day of Human Rights and urges Congress and the White House to act in favor of human rights by signing and ratifying the Treaty on the Prohibition of Nuclear Weapons.

And, be it further resolved that the Council of City of Flagstaff requests the Clerk provide this resolution to the federal elected officials who represent Flagstaff.
