

EXHIBIT A SCOPE OF WORK

Community Homebuyer Assistance Program

1. SCOPE OF WORK

The intent of the City of Flagstaff's Community Homebuyer Assistance Program (CHAP) is to make homeownership possible for citizens in the City of Flagstaff. CHAP is a one-time benefit per eligible household. This program will assist households with the up-front costs of homeownership who are mortgage eligible based on credit and income but lack the cash necessary for the down payment and closing costs associated with purchasing a home. Housing Solutions of Northern Arizona, Inc. (HSNA), a local HUD-approved housing counseling agency and nonprofit organization, has been selected by the City of Flagstaff through a competitive RFP process to administer the program. HSNA will determine eligibility for program participation, provide one-on-one housing counseling and general homebuyer education services, and administer the financial assistance at the time of purchase.

The program will be funded from City of Flagstaff General Funds.

2. PROGRAM ELIGIBILITY CRITERIA

2.1 City of Flagstaff CHAP buyer eligibility criteria is as follows:

2.1.1 To be eligible such homebuyers must be US Citizens or legal permanent residents of the United States.

2.1.2 Eligible Buyers must be first-time homebuyers as defined by the Department of Housing and Urban Development (HUD). The definition is as follows "FHA defines First-Time Homebuyer (FTHB) as an individual who has had no ownership in a principal residence during the 3-year period ending on the date of purchase (closing date) of the property.

"A FTHB includes any individual that has only owned with a former spouse while married.

"A FTHB would also include an individual who has only owned a principal residence not permanently affixed to a permanent foundation, or a property that was not in compliance with State, local or model building codes and cannot be brought into compliance for less than the cost of constructing a permanent structure."

2.1.3 Eligible Buyers must complete online homebuyer education course and one-on-one housing counseling through HSNA prior to closing on their home.

2.1.4 Eligible Buyers must occupy the home purchase with CHAP funds as their principal place of residence.

2.1.5 Eligible Buyers must meet income guidelines, demonstrating that total household income for all members of the household does not exceed 125% of the area median income, based on household size. This income information is published by the City of Flagstaff Housing Section, based on calculations from HUD annually. HSNA will utilize the "Technical Guide for Determining Income and Allowances for the HOME Program, Third Edition," or its successor, or another methodology agreed-to by HSNA and the City of Flagstaff Housing Section, to determine household income.

2.2 CHAP housing unit eligibility is as follows:

- 2.2.1 Home to be purchased must be located within the Flagstaff City Limits.
- 2.2.2 The home must be livable, passing lender guidelines for occupancy and purchase.
- 2.2.3 Although the Agency and City of Flagstaff highly recommend the buyers obtain a professional, impartial third-party home inspection by a licensed inspector, this is not a requirement of the program. However, the buyer will sign a Hold Harmless agreement at the time of purchase, ensuring they will not hold HSNA or the City of Flagstaff responsible for the condition of the home.
- 2.3 Agency shall document and retain all eligibility with client records. Client records will be transferred to the City of Flagstaff Housing Section within 60 days of home purchase for ongoing loan servicing.
3. ASSISTANCE LEVELS AND LENDING PARAMETERS
- 3.1 The intent of the City's CHAP program is to provide citizens of Flagstaff with up-front financial assistance to enable creditworthy first-time homebuyers to open the door to homeownership.
- The maximum assistance provided through the CHAP program is as follows:
- 3.1.1 Maximum amount of financial assistance is \$40,000.00 per household.
- 3.1.2 Total amount of financial assistance provided will be based on household contribution. The program will match household contribution on an 8 to 1 basis with up to \$5,000 of household funds matched with up to \$40,000.00 of CHAP funds.
- 3.1.3 Households must contribute a minimum of \$1,000 of the purchase price through documented buyer funds. The remaining household contribution may come from gifts from immediate family members, as documented.
- 3.1.4 CHAP financial assistance will be repaid based on a shared appreciation model. The borrower will owe the City the principal sum plus Net Proceeds, which is defined as the difference between the principal sum and x% (the percent of the original purchase of the home received in assistance) of the sales price when the property is sold, or, if the property is not being sold, of the appraised value of the property at the time of repayment. In the case of HUD/FHA first mortgages, the City's share of the appreciation will not exceed 50%. Furthermore, the Homeowner shall be permitted to recover at least the original purchase price, sales commission, and cost of capital improvement.
- 3.1.5 In any case where the home purchased is a City of Flagstaff Land Trust or Deed Restricted property, the shared appreciation repayment model is not required.
- 3.1.6 CHAP funds will NEVER be forgiven. Repayment will be triggered when one of the following occurs: (1) home is sold; (2) home is no longer owner-occupied; (3) household refinances home to access home equity – refinance with no cash-out is permitted and CHAP assistance will subordinate; or (4) information provided to HSNA or City of Flagstaff at time of assistance is determined to be fraudulent.
- 3.1.7 In order to ensure affordability and long-term sustainability for the household, his/her housing ratio cannot exceed 35% of gross monthly income (unless lender guidelines or layered assistance program has more conservative requirements).

- 3.1.9 Mortgage is a 30-year fixed-rate mortgage with competitive interest rate.
- 3.1.10 Closing costs are reasonable and consistent with industry norms.
- 3.1.11 CHAP assistance is recorded in second position behind the primary mortgage, unless approved to subordinate behind another subordinate deed of trust.

3.2 The Agency may, with City staff approval, vary slightly from the above loan parameters on a case-by-case basis to assist with a particular hardship or when doing so can derive some other program benefit.

4. LOAN TERMS

The financial assistance loans will be secured on each property by a Deed of Trust and Promissory Note payable to the City of Flagstaff. The original recorded Deed of Trust and Promissory Note will be delivered to the City of Flagstaff Housing Section within 60 days of purchase, as part of the client file. The Note will never be forgiven. When the household repays CHAP assistance, the City of Flagstaff Housing Section will record with Coconino County Recorder's Office a Deed of Release and Reconveyance. The City of Flagstaff Housing Section will process payoff requests from the Title Company. Assistance requires no payment and no interest. The City of Flagstaff will subordinate to a second lien position to a primary mortgage lender. The City of Flagstaff, at its own discretion, may decide to subordinate to a third lien position. Refinancing to obtain a lower payment only and no cash out (no cash is borrowed) will be allowed. The City reserves the right to review each subordination as a lender. Client files will be available to HSNA, if requested, for HUD or grant funder audits.

HSNA's housing counseling staff will complete continuing education and abide by HUD requirements in the delivery of both one-on-one housing counseling and education. The intent of homebuyer education is to provide clients with general information regarding the home-buying process, credit and savings information, lending details and how to shop for a home. The workshop fee will be paid by the household at the time of course registration.

7.3 Throughout the home-buying process, clients are encouraged to meet one-on-one with a certified homebuyer counselor who will help them navigate the home-buying process, determine their individual housing needs, and wants, and overcome challenges to make homeownership feasible. The counselor will also help clients understand and access additional available financial assistance programs including WISH and EAH.
