Local Recovery Funds

ARPA created the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program to deliver \$350 billion in much needed COVID-19 relief aid.

Key objectives

- Support COVID-19 response efforts
- Replace lost revenue
- Support an equitable recovery and economic stabilization
- Address systemic public health and economic challenges

Local Recovery Funds

City Council Allocations

Housing Assistance

- **Assistance to Households**
 - Rent, mortgage, utility assistance
 - Counseling and legal aid
- **Housing Stability Services**
 - Housing Counseling
 - Outreach to at risk households
 - Housing support services for disproportionately impacted communities
- **Other Services**
 - Services that address homelessness
 - Improving access to affordable housing
 - Affordable housing development
 - Housing Vouchers/Navigation

Housing Assistance

1. What affordable housing activity is being funded? (this will determine whether a household must be "impacted" or "disproportionately impacted" by COVID)

2. Is the household presumed eligible? (is the household either presumed "impacted" or "disproportionately impacted" by COVID?)

3. If the household is not presumed eligible, can the grantee justify a COVID impact?

Impacted Households

Low-or moderate-income households with income at or below 100 percent of the Area Median Income for the City and the size of the household based on the most recently published data.

Disproportionately Impacted Households

Low-income households with income at or below 80 percent of the Area Median Income for the City and the size of the household based on the most recently published data.

Broad Criteria for Evaluation

General

- Falls within eligible expenditure category

Project Feasibility

- Can be completed within program time limits & with reasonable assurance of success

Project Equity

- Meets goals, target population, etc.

Community Leverage/Partnership

- Leverages existing & as many community partners as possible to deliver outcomes

Long-Term Value & Impact

- Ensures high value return for investment
- High level of sustainability where possible

Criteria for Evaluation

Additional Criteria

- 10-Year Housing Plan Goals
- CoC Participation
- Diversity, Equity and Inclusion
- Local Community Need
- Evidence Based Interventions
- Applicant Capacity for Administration

10-Year Housing Plan

- **Impact at least 6,000 low-to-moderate income Flagstaff residents through a combination of unit creation or subsidy provision.**
- **Create or preserve 7,976 housing units by 2031 with a minimum of 10% of them being affordable. This will increase the overall supply of market rate, workforce and affordable housing occupied by local residents.**
