CMAR shall not be relieved of responsibility for errors or omissions in Shop Drawings, Product Data, Samples, or similar Submittals by the Owner's approval thereof.
- 2.6.6 CMAR shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data, Samples, or similar Submittals, to revisions other than those requested by the Owner on previous Submittals.
- 2.6.7 Informational Submittals upon which the Owner is not expected to take responsive action may be so identified in the Contract Documents.

Unless otherwise required by the Contract Documents, CMAR's Safety Representative shall be an individual stationed at the Site who may have other responsibilities on the Project in addition to safety.

- 2.10.4 The Safety Representative shall make routine daily inspections of the Site and shall hold weekly safety meetings with CMAR's personnel, Subcontractors and others as applicable.
- 2.10.5 CMAR and Subcontractors shall comply with all Legal Requirements relating to safety, as well as any City-specific safety requirements set forth in the Contract Documents, provided that such City-specific requirements do not violate any applicable Legal Requirement.
- 2.10.6 CMAR shall immediately report in writing any safety-related injury, loss, damage or accident arising from the Work to Owner's Representative and, to the extent mandated by Legal Requirements, to all government or quasi-government authorities having jurisdiction over safety-related matters involving the Project or the Work.
- 2.10.7 CMAR's responsibility for safety under this Section is not intended in any way to relieve Subcontractors and Sub-Subcontractors of their own contractual and legal obligations and responsibility for (i) complying with all Legal Requirements, including those related to health and safety matters, and (ii) taking all necessary measures to implement and monitor all safety precautions and programs to guard against injury, losses, damages or accidents resulting from their performance of the Work.

2.11 Warranty

- 2.11.1 CMAR warrants to Owner that the construction, including all materials and equipment furnished as part of the construction, shall be new unless otherwise specified in the Contract Documents, of good quality, in conformance with the Contract Documents and free of defects in materials and workmanship.
- 2.11.2 CMAR's warranty obligation shall be for one (1) year, except for such greater period as may be required by the technical specifications.
- 2.11.3 Nothing in this warranty is intended to limit any manufacturer's warranty which provides The Owner with greater warranty rights than set forth in this Section or the Contract Documents. CMAR shall provide Owner with all manufacturers' warranties upon Substantial Completion.
- 2.11.4 Nothing in this warranty is intended to limit any other remedy at law that may be available to the Owner.

2.12 Correction of Defective Work

- 2.12.1 CMAR agrees to correct any Work that is found to not be in conformance with the Contract Documents, including that part of the Work subject to this Agreement, within a period of one (1) year from the date of Substantial Completion of the Work or any portion of the Work, or within such longer period to the extent required by the Contract Documents, or as may be available to the Owner by law. A progress payment, or partial or entire use or occupancy of the Project by the Owner, shall not constitute acceptance of Work not in accordance with the Contract Documents.
- 2.12.2 During the performance of the Work, CMAR shall take meaningful steps to commence correction of such nonconforming Work as notified by the Owner or as discovered by CMAR. This includes the correction, removal or replacement of the nonconforming Work and any damage caused to other parts of the Work affected by the nonconforming Work. If CMAR fails to commence the necessary steps during the performance of the Work, Owner, in addition to any other remedies provided under the Contract Documents, may provide CMAR with written notice that Owner shall commence correction of such nonconforming Work with its own forces.
- 2.12.3 CMAR shall, take meaningful steps to commence correction of nonconforming Work subject to this Agreement, within seven (7) days of receipt of written notice from Owner. This includes the correction, removal or replacement of the nonconforming Work and any damage caused to other

parts of the Work affected by the nonconforming Work. If CMAR fails to commence the necessary steps within such seven-day period, Owner, in addition to any other remedies provided under the Contract Documents, may provide CMAR with written notice that Owner shall commence correction of such nonconforming Work with its own forces.

- 2.12.4 If Owner does perform such corrective Work, CMAR shall be responsible for all reasonable costs incurred by Owner in performing such correction.
- 2.12.5 For nonconforming Work that creates an emergency requiring an immediate response, CMAR shall respond and initiate corrections within twenty-four hours.
- 2.12.6 The one-year period identified in this Agreement applies only to CMAR's obligation to correct nonconforming Work relative to the warranty set forth in that section and is not intended to constitute a period of limitations for any other rights or remedies the Owner may have regarding CMAR's other obligations under the Contract Documents or as may be allowed by law.

Article 3 - The Owner's Services and Responsibilities

3.1 Duty to Cooperate.

- 3.1.1 Owner shall, throughout the performance of the Work, cooperate with CMAR and perform its responsibilities, obligations and services in a timely manner to facilitate CMAR's timely and efficient performance of the Work and so as not to delay or interfere with CMAR's performance of its obligations under the Contract Documents.

 - 3.2.3.2 The field inspector shall not be authorized to issue instructions contrary to the Construction Documents or to act as foreman for CMAR.
 - 3.2.3.3 The field inspector shall have the authority to reject work or materials until any questions at issue can be decided by the Owner's Representative.
 - 3.2.3.4 The furnishing of such services for the Owner shall not make the Owner responsible for or give the Owner control over construction means, methods, techniques, sequences or procedures or for safety precautions or programs or responsibility for CMAR's failure to perform the work in accordance with Contract Documents.

3.3 Design Professional Services

- 3.3.1 The Owner may contract separately with one or more Design Professional(s) to provide construction administration of the Project. The Design Professional(s)' agreement as well as other firms hired by the Owner shall be available for review by CMAR. CMAR shall not have any right however, to limit or restrict any contract provisions and/or modifications that are mutually acceptable to the Owner and Design Professional(s).
- 3.3.2 The Owner may contract with the Design Professional(s) to provide some or all of the following services during the performance of the Work.

3.4 Owner's Separate Contractors

- 3.4.1 Owner is responsible for all work performed on the Project or at the Site by separate contractors under Owner's control. Owner shall contractually require its separate contractors to cooperate with and coordinate their activities so as not to interfere with CMAR in order to enable CMAR to timely complete the Work consistent with the Contract Documents.

3.5 Permit Review and Inspections

- 3.5.1 If requested by CMAR, the Owner's Representative shall provide assistance and guidance in obtaining necessary reviews, permits and inspections, however, the responsibility for obtaining the necessary reviews, permits and inspections remains with CMAR.

Article 4 - Contract Time

4.0 Contract Time

- 4.0.1 Contract Time shall start with the NTP with construction services and shall end with Substantial Completion.
- 4.0.2 Where there is more than one GMP, each GMP shall establish a separate NTP date and a Performance Period. The Performance Periods for individual GMPs may be sequential or concurrent as established in the individual Notices to Proceed. The Performance Period for the GMPs under this Agreement shall be One Hundred and Ten (110) calendar days starting with the NTP.
- 4.0.3 CMAR agrees that it shall commence timely performance of the Work and shall achieve substantial completion within the Performance Periods and Contract Time.
- 4.0.4 All of the times set forth in this Article 4 shall be subject to adjustment in accordance with other provisions of this Agreement.
- 4.0.5 Time is of the essence, for time matters and the rest of this Agreement. Pursuant to this Agreement, if, in the sole discretion of the Capital Improvements Division of the City of Flagstaff, the Project is not at Substantial Completion prior to the advent of adverse weather conditions, a Winter Shutdown shall occur during which no Work will be performed by any person or entity (including but not limited to the CMAR) on the Project and CMAR shall shutdown, properly insulate and shelter the Project in a safe and workmanlike manner pursuant to local, state and federal laws. Although December through March is typically the time frame, the Owner reserves the right to initiate and terminate a Winter Shutdown at the Owner's sole discretion in the event of adverse weather conditions. A Winter Shutdown may be declared by the Owner despite delays, *for any reason*, on the Project.

4.1 Substantial Completion

- 4.1.1 Substantial Completion shall be for the entire Project unless a partial Substantial Completion is identified in the approved GMP schedule and stated in the Notice to Proceed letter or as may be mutually agreed by the parties in writing. Substantial Completion shall be in accordance with the definition in this Agreement and with the criteria set forth in the NTP.
- 4.1.2 Prior to notifying the Owner, CMAR shall inspect the Work and prepare and submit to the Owner a comprehensive list of items to be completed or corrected. CMAR shall proceed promptly to complete and correct items on the list. Failure to include an item on such list does not alter the responsibility of CMAR to complete all Work in accordance *with the Contract Documents*.
- 4.1.3 CMAR shall notify Owner when it believes the Work, or to the extent permitted in the Contract Documents, a portion of the Work, is substantially complete.
- 4.1.4 Within five (5) days of Owner's receipt of CMAR's notice, the Owner and CMAR shall jointly inspect such Work to verify that it is substantially complete in accordance with the requirements of the Contract Documents.
- 4.1.5 If such Work is substantially complete, Owner shall prepare and issue a Certificate of Substantial Completion that shall set forth (i) the date of Substantial Completion of the Work or portion thereof,

(ii) the remaining items of Work that have to be completed within thirty (30) calendar days before Final Acceptance, (iii) provisions (to the extent not already provided in the Contract Documents) establishing Owner's and CMAR's responsibility for the Project's security, maintenance, utilities and insurance pending Final Acceptance and (iv) an acknowledgment that warranties commence to run on the date of Substantial Completion, except as may otherwise be noted in the Certificate of Substantial Completion.

4.1.6 Owner, at its option, may use a portion of the Work which has been determined to be substantially complete, provided, however, that (i) a Certificate of Substantial Completion has been issued for the portion of Work addressing the items in this Agreement, (ii) CMAR and Owner have obtained the consent of their sureties and insurers, and to the extent applicable, the appropriate government authorities having jurisdiction over the Project, and (iii) Owner and CMAR agree that Owner's use or occupancy shall not interfere with CMAR's completion of the remaining Work.

4.2 Final Completion

4.2.1 Upon receipt of written notice that the Work or identified portions of the Work is ready for final inspection and acceptance, Owner and CMAR shall jointly inspect to verify that the remaining items of Work have been completed. The Owner shall issue a Final Completion Letter and payment pursuant to this Agreement.

4.3 Liquidated Damages

4.3.1 CMAR understands that if Substantial Completion is not attained within the Contract Time as adjusted, the Owner shall suffer damages, which are difficult to determine and accurately specify. CMAR agrees that if Substantial Completion is not attained within the Contract Time as adjusted, CMAR shall pay the Owner \$570.00 (to be determined on an agreement-by-agreement basis) per day as liquidated damages for each Day that Substantial Completion extends beyond the date determined by the Contract Time as adjusted and further agrees that such amount is reasonable under the circumstances.

4.3.2 CMAR understands that if Final Completion is not attained within the Contract Time as adjusted, the Owner shall suffer damages, which are difficult to determine and accurately specify. CMAR agrees that if Final Completion is not attained within the Contract Time as adjusted, CMAR shall pay the Owner \$570.00 (to be determined on an agreement-by-agreement basis) per day as liquidated damages for each Day that Final Completion extends beyond the date determined by the Contract Time as adjusted and further agrees that such amount is reasonable under the circumstances.

4.4 Project Master Schedule

4.4.1 The Project Master Schedule approved as part of a GMP shall be updated and maintained throughout the Work by CMAR.

4.4.2 The Project Master Schedule shall be revised by CMAR as required by conditions and progress of the Work, but such revisions shall not relieve CMAR of its obligations to complete the Work within the Contract Time, as such dates may be adjusted in accordance with the Contract Documents.

4.4.3 Updated Project Master Schedules shall be submitted monthly by CMAR to the Owner as part of the Payment Request.

4.4.3.1 CMAR shall provide Owner with a monthly status report with each Project Master Schedule detailing the progress of the Work, including: (i) if the Work is proceeding according to schedule, (ii) any discrepancies, conflicts, or ambiguities found to exist in the Contract Documents that require resolution, and (iii) other items that require resolution so as not to jeopardize ability to complete the Work as presented in the GMP and within the Contract Time.

- 4.4.3.2 With each schedule submittal CMAR shall include a transmittal letter including the following:
- 4.4.3.2.1 Description of problem tasks (referenced to field instructions, requests for information (“RFI’s”), as appropriate.
 - 4.4.3.2.2 Current and anticipated delays including:
 - 4.4.3.2.2.1 Cause of the delay
 - 4.4.3.2.2.2 Corrective action and schedule adjustments to correct the delay
 - 4.4.3.2.2.3 Known or potential impact of the delay on other activities, milestones, and/or the date of Substantial Completion
 - 4.4.3.2.3 Changes in construction sequence
 - 4.4.3.2.4 Pending items and status thereof including but not limited to:
 - 4.4.3.2.4.1 Time Extension requests
 - 4.4.3.2.4.2 Other items
 - 4.4.3.2.5 Substantial Completion date status:
 - 4.4.3.2.5.1 If ahead of schedule, the number of calendar days ahead
 - 4.4.3.2.5.2 If behind schedule, the number of calendar days behind
 - 4.4.3.2.5.3 Other project or scheduling concerns
- 4.4.4 Owner's review of and response to the Project Master Schedule is only for general conformance with the scheduling requirements of the Contract Documents. The review shall not relieve CMAR from compliance with the requirements of the Contract Documents or be construed as relieving CMAR of its complete and exclusive control over the means, methods, sequences and techniques for executing the Work.
- 4.4.5 The Project Master Schedule shall include a CPM diagram schedule that shall show the sequence of activities, the interdependence of each activity and indicate the Critical Path.
- 4.4.5.1 The CPM diagram schedule shall be in Days and indicate duration, earliest and latest start and finish dates for all activities, and total Float times for all activities except critical activities. The CPM diagram schedule shall be presented in a time scaled graphical format for the Project as a whole.
 - 4.4.5.2 The CPM diagram schedule shall indicate all relationships between activities.
 - 4.4.5.3 The activities making up the schedule shall be in sufficient detail to assure that adequate planning has been done for proper execution of the Work and such that it provides an appropriate basis for monitoring and evaluating the progress of the Work.
 - 4.4.5.4 The CPM diagram schedule shall be based upon activities, which would coincide with the Schedule of Values.
 - 4.4.5.5 The CPM diagram schedule shall show all Submittals associated with each work activity and the review time for each submittal.

- 4.4.5.6 The CPM diagram schedule shall show milestones, including milestones for Owner-furnished information, and shall include activities for Owner-furnished equipment and furniture when those activities are interrelated with CMAR activities.
- 4.4.5.7 The CPM diagram schedule shall include a critical path activity that reflects anticipated weather delay during the performance of the Agreement. The duration shall reflect the average climatic range and usual industrial conditions prevailing in the locality of the Site. Weather data shall be based on the information set forth on the City of Flagstaff's Table of "Monthly Anticipated Adverse Weather Calendar Days" and the explanatory paragraphs attached thereto.
- 4.4.6 The Project Master Schedule shall consider the Owner's and the tenants' occupancy requirements showing portions of the Project having occupancy priority, and Contract Time.
- 4.4.7 Float time shall be as prescribed below:
- 4.4.7.1 The total Float within the overall schedule, is not for the exclusive use of either the Owner or CMAR but is jointly owned by both and is a resource available to and shared by both parties as needed to meet Agreement milestones and the Project completion date.
- 4.4.7.2 CMAR shall not sequester shared Float through such strategies as extending activity duration estimates to consume available Float, using preferential logic, or using extensive crew/resource sequencing, etc. Since Float time within the schedule is jointly owned, no time extensions shall be granted nor delay damages paid until a delay occurs which extends the Work beyond the Substantial Completion date and then only if any such extensions or damages are shown to be justified under the Contract Documents.
- 4.4.7.3 Since Float time within the schedule is jointly owned, it is acknowledged that Owner-caused delays on the Project may be offset by Owner-caused time savings (i.e., critical path Submittals returned in less time than allowed by the Agreement, approval of substitution requests and credit changes which result in savings of time to CMAR, etc.). In such an event, CMAR shall not be entitled to receive a time extension or delay damages until all Owner-caused time savings are exceeded, and the Substantial Completion date is also exceeded.

Article 5- Contract Price

5.0 General

- 5.0.1 CMAR agrees at his own cost and expense, to completely construct and install all Work and materials as called for by this Agreement, free and clear of all claims, liens and charges whatsoever, in the manner and under the conditions specified in the Contract Documents, within the time or times stated in the approved GMP.

5.1 Contract Price

- 5.1.1 The Contract Price shall be as approved in the Guaranteed Maximum Price Proposal attached as Exhibit B and an amount of \$611,398.90 with an additional \$0 allowed for Owner's Contingency for a total contract price of \$611,398.90.
- 5.1.2 The Cost of the Work is actual costs and is a not-to-exceed reimbursable amount.
- 5.1.3 The General Conditions Costs will be included in the GMP as a not to exceed amount and paid for on actual costs based on submitted and approved invoices. The Construction Fee will be paid as a firm lump sum.

5.1.4 Taxes are deemed to include all sales, use consumer and other taxes, which are legally enacted when negotiations of the GMP were concluded, whether or not yet effective, or merely scheduled to go into effect. Taxes are actual costs and are a not-to-exceed reimbursable amount.

5.2 Guaranteed Maximum Price

5.2.1 The GMP is composed of the maximum Cost of the Work; the Construction Fee; General Conditions Costs; taxes; and CMAR's contingency all of which are not-to-exceed cost reimbursable or lump sum amounts. CMAR is at risk to cover any additional Project costs. If the Cost of Work amount, set forth in the GMP, is in excess of the actual Cost of Work and/or CMAR's Contingency, said amount by which the Cost of Work set forth in the GMP is in excess of the actual Cost of Work and/or CMAR's Contingency, shall revert to the Owner.

5.2.2 The GMP is subject to adjustments made in accordance with this Agreement and by GMP amendments to this Agreement.

5.2.3 GMP amendments are cumulative except for CMAR's Contingency. The amount of CMAR's Contingency for each GMP shall be negotiated separately.

5.2.4 If the GMP requires an adjustment due to changes in the scope of the Work the cost of such changes is determined subject to this Agreement. The markups that may be allowed on such changes shall be no greater than the markups delineated in the approved GMP.

5.3 Contingencies

5.3.1 CMAR's Contingency is an amount CMAR may use at its sole discretion for, an increase in the Cost of Work, and may use for increases in General Conditions Costs with written approval of the Owner. CMAR's Contingency is assumed to be a direct Project cost and all applicable markups shall be applied at the time of GMP submission.

5.3.2 When CMAR utilizes CMAR's Contingency funds, CMAR shall make the appropriate changes to the Schedule of Values with the next regular progress payment request. CMAR shall deduct the amount of CMAR's Contingency funds used from CMAR's Contingency line item and add the same amount to the line item on the Schedule of Values where the funds were used. If CMAR's contingency funds are used for a new line item that was not given with the original Schedule of Values, these shall be so indicated.

5.3.3 Owner's Contingency are funds to be used at the sole discretion of the Owner to cover any increases in Project costs that result from Owner directed changes or unforeseen Site conditions. Owner's Contingency shall be added to the GMP amount provided by CMAR, the sum of which shall be the full Contract Price for construction. At the time that Owner's Contingency is used the appropriate markups shall be applied.

5.4 Open Book

5.4.1 CMAR shall submit to the Owner upon request all payrolls, reports, estimates, records and any other data concerning the Work performed or to be performed or concerning materials supplied or to be supplied, as well as Subcontractor or Consultant payment applications or invoices and such Subcontractor's or Consultant progress payment checks. The requirements of this Section shall be included in all Agreements between CMAR and its Subcontractors and Consultants. The Owner may exercise its rights under this Agreement as often as reasonably necessary in the Owner's sole judgment to assure the Owner has a complete and accurate understanding of all Project costs.

5.4.2 Upon Project closeout and immediately prior to the release of final payment, the CMAR shall provide to the Owner a Final Cost Report detailing all Project costs for each division of work with supporting documentation for materials, labor, equipment and other appurtenant items.

Article 6 - Changes to the Contract Price and Time

6.0 Delays to the Work

- 6.0.1 If CMAR is delayed in the performance of the Work that shall cause a change in the date of Substantial Completion due to acts, omissions, conditions, events, or circumstances beyond its control and due to no fault of its own, or, those for whom CMAR is responsible, the Contract Times for performance shall be reasonably extended by Change Order. However, the Owner and the CMAR must agree on the determination of whether acts, omissions, conditions, events, or circumstances are actually beyond the CMARs control and/or whether they are due to no fault of the CMAR, or those for whom CMAR is responsible; if the Owner and the CMAR do not agree, then an independent third party, selected by both parties, shall make the determination of whether acts, omissions, conditions, events, or circumstances are actually beyond the CMARs control and/or whether they are due to no fault of the CMAR, or those for whom CMAR is responsible.
- 6.0.2 CMAR shall request an increase in the Contract Time by written notice including an estimate of probable effect of delay on progress of the Work within three (3) days of the occurrence of the delay. In the case of a continuing delay only one request is necessary.
- 6.0.3 By way of example, events that shall entitle CMAR to an extension of the Contract Time include acts or omissions of Owner or anyone under Owner's control (including separate Contractors), changes in the Work, Differing Site Conditions, Hazardous Conditions, delays by regulating agencies, wars, floods, labor disputes, unusual delay in transportation, epidemics abroad, earthquakes, adverse weather conditions not reasonably anticipated, and other acts of God.
- 6.0.4 If adverse weather conditions are the basis for a request for additional Contract Time, such requests shall be documented by data substantiating that weather conditions were abnormal for the period of time and could not have been reasonably anticipated, and that weather conditions had an adverse effect on the scheduled Substantial Completion. All terms, conditions, and definitions necessary for the application of this paragraph shall be as set forth on the City of Flagstaff's Table of "Monthly Anticipated Adverse Weather Calendar Days" and the explanatory paragraphs attached thereto.
- 6.0.5 It is understood, however, that permitting CMAR to proceed to complete any Work, or any part of the Work, after the date to which the time of completion may have been extended, shall in no way act as a waiver on the part of the Owner of any of its legal rights herein.
- 6.0.6 In addition to CMAR's right to a time extension for those events set forth in this Agreement, CMAR shall also be entitled to an appropriate adjustment of the Contract Price provided, however, that the Contract Price shall not be adjusted for those events set forth in this Section that are beyond the control of both CMAR and Owner, including the events of war, floods, labor disputes, earthquakes, epidemics, adverse weather conditions not reasonably anticipated, and other acts of God and shall not be adjusted absent a showing of actual damage.

6.1 Differing Site Conditions

- 6.1.1 If CMAR encounters a Differing Site Condition, CMAR shall be entitled to an adjustment in the Contract Price and/or Contract Times to the extent CMAR's cost and/or time of performance are actually adversely impacted by the Differing Site Condition.
- 6.1.2 Upon encountering a Differing Site Condition, CMAR shall provide prompt written notice to Owner of such condition, which notice shall not be later than seven (7) days after such condition has been encountered. CMAR shall, to the extent reasonably possible, provide such notice before the Differing Site Condition has been substantially disturbed or altered.

6.2 Errors, Discrepancies and Omissions

- 6.2.1 If CMAR observes errors, discrepancies or omissions in the Contract Documents, CMAR shall promptly notify the Design Professional and request clarification.
- 6.2.2 If CMAR proceeds with the Work affected by such errors, discrepancies, or omissions, without receiving such clarifications, CMAR does so at its own risk. Adjustments involving such circumstances made by CMAR prior to clarification by the Design Professional shall be at CMAR's risk.

6.3 The Owner Requested Change in Work

- 6.3.1 The Owner reserves the right to make, at any time during the progress of the Work, such alterations as may be found necessary or in the Owner's best interest.
- 6.3.2 Such alterations and changes shall not invalidate this Agreement nor release the surety and CMAR agrees to perform the Work as altered, the same as if it has been a part of the original Contract Documents.
- 6.3.3 The Owner shall request a proposal for a change in Work from CMAR, and an adjustment in the Contract Price and/or Contract Times shall be made based on a mutual agreed upon cost and time.

6.4 Legal Requirements

- 6.4.1 The Contract Price and/or Contract Times shall be adjusted to compensate CMAR for the effects of any changes in the Legal Requirements enacted after the date of their Agreement or the date of the GMP, affecting the performance of the Work

6.5 Change Directives and Change Orders

- 6.5.1 Owner and CMAR shall negotiate in good faith and as expeditiously as possible the appropriate adjustments for a Change Directive if any adjustments are appropriate. Upon reaching an agreement, the parties shall prepare and execute an appropriate Change Order reflecting the terms of the adjustment.
- 6.5.2 All changes in Work authorized by Change Directives and/or Change Orders shall be performed under the conditions of the Contract Documents.

6.6 Minor Changes in the Work

- 6.6.1 The Owner has authority to order minor changes in Work that do not materially and adversely affect the Work, including the design, quality, performance, and workmanship required by the Contract Documents. Such changes shall be affected by written order and shall be binding on the Owner and CMAR. CMAR shall carry out such written orders promptly.
- 6.6.2 CMAR may make minor changes in Work, provided, however that CMAR shall promptly inform Owner, in writing, of any such changes and record such changes, if appropriate, on the Project Record Documents maintained by CMAR.
- 6.6.3 Minor changes in Work shall not involve an adjustment in the Contract Price and/or Contract Times.

6.7 Contract Price Adjustments

- 6.7.1 The increase or decrease in Contract Price resulting from a change in the Work shall be determined by one or more of the following methods:
- 6.7.1.1 Unit prices set forth in this Agreement or as subsequently agreed to between the parties;
 - 6.7.1.2 A mutually accepted, lump sum, properly itemized and supported by sufficient substantiating data to permit evaluation by Owner; and
 - 6.7.1.3 Costs, fees and any other markups.
- 6.7.2 The markups that shall be allowed on such changes shall be no greater than the markups delineated in the approved GMP as shown on Exhibit B.
- 6.7.3 If an increase or decrease cannot be agreed to as set forth in this Agreement and Owner issues a Change Directive, the cost of the change of the Work shall be determined by the reasonable expense and savings in the performance of the Work resulting from the change, including a reasonable overhead and profit, as may be set forth in their Agreement. CMAR shall maintain a documented, itemized accounting evidencing the expenses and savings associated with such changes.
- 6.7.4 If unit prices are set forth in the Contract Documents or are subsequently agreed to by the parties, but application of such unit prices shall cause substantial inequity to Owner or CMAR because of differences in the character or quantity of such unit items as originally contemplated, such unit prices shall be equitably adjusted.
- 6.7.5 If Owner and CMAR disagree upon whether CMAR is entitled to be paid for any services required by Owner, or if there are any other disagreements over the scope of Work or proposed changes to the Work, Owner and CMAR shall resolve the disagreement pursuant this Agreement.
- 6.7.5.1 As part of the negotiation process, CMAR shall furnish Owner with a good faith estimate of the costs to perform the disputed services in accordance with Owner's interpretations.
 - 6.7.5.2 If the parties are unable to agree and Owner expects CMAR to perform the services in accordance with Owner's interpretations, CMAR shall proceed to perform the disputed services, conditioned upon Owner issuing a written order to CMAR (i) directing CMAR to proceed and (ii) specifying Owner's interpretation of the services that are to be performed.

6.8 Emergencies

- 6.8.1 In any emergency affecting the safety of persons and/or property, CMAR shall act, at its discretion, to prevent threatened damage, injury or loss. Any change in the Contract Price and/or Contract Time resulting from emergency work under this Section shall be determined as provided in this Article.

6.9 Force Majeure

These events may result in temporary delay or permanent shut down of the work that is the subject of this Contract. This may be caused by such things as stay-at-home orders, loss of labor force, supply chain delays, and other impediments to timely delivery of the Contract.

6.9.2 The parties agree that there will be no claims arising from a temporary delay or permanent shut down caused by the events described above and that the Owner will pay no additional costs incurred as a result of such events.

6.9.3 The parties agree to act in good faith to extend the Contract completion date without any penalty to the CMAR and that the extension will be in an amount of time equal to any temporary delay. This term supersedes all other terms regarding temporary delay, permanent shut down, or increased costs.

If the parties cannot resolve such concerns, CMAR may pursue its rights under the Contract Documents, including those identified in this Agreement.

CMAR shall pay Subcontractors or suppliers the reduced retention within fourteen (14) calendar days of the payment of the reduction of the retention to CMAR. No agreement between CMAR and its Subcontractors and suppliers may materially alter the rights of any Subcontractor or supplier to receive prompt payment and retention reduction as provided herein.

7.6.2 If CMAR fails to make payments in accordance with these provisions, the Owner may take any one or more of the following actions and CMAR agrees that the Owner may take such actions:

7.6.2.4 Terminate this Agreement.

- 7.6.4 Should the Owner fail or delay in exercising or enforcing any right, power, privilege, or remedy under this Section, such failure or delay shall not be deemed a waiver, release, or modification of the requirements of this Section or of any of the terms or provisions thereof.
- 7.6.5 CMAR shall include these prompt payment provisions in every subcontract, including procurement of materials and leases of equipment for this Agreement.

7.7 Record Keeping and Finance Controls

- 7.7.3 The Owner reserves the right to decrease Contract Price and/or payments made on this Agreement if, upon audit of CMAR's records, the audit discloses CMAR has provided false, misleading, or inaccurate cost and pricing data.
- 7.7.4 CMAR shall include a similar provision in all of its agreements with Subconsultants and Subcontractors providing services under the Contract Documents to ensure the Owner, its authorized representative, and/or the appropriate federal agency, has access to the Subconsultants' and Subcontractors' records to verify the accuracy of cost and pricing data.
- 7.7.5 The Owner reserves the right to decrease Contract Price and/or payments made on this Agreement if the above provision is not included in Subconsultant's and Subcontractor's Agreements, and one or more Subconsultants and/or Subcontractors do not allow the Owner to audit their records to verify the accuracy and appropriateness of pricing data.

- 8.0.4 Such notice shall include sufficient information to advise the other party of the circumstances giving rise to the claim for relief, the specific contractual adjustment or relief requested and the basis of such request.

8.1 Dispute Avoidance and Resolution

Prior to any meetings between the Senior Representatives, the parties shall exchange relevant information that shall assist the parties in resolving their dispute or disagreement.

9.0.1 Owner may, at its discretion and without cause, order CMAR in writing to stop and suspend the Work. Such suspension shall not exceed one hundred and eighty (180) consecutive days.

9.0.2 CMAR may seek an adjustment of the Contract Price and/or Contract Time if its cost or time to perform the Work has been adversely impacted by any suspension or stoppage of Work by Owner.

9.1 Termination for Convenience

9.1.1 The Owner may terminate this Agreement at any time for any reason by giving at least thirty (30) days written notice to the CMAR. In such event, Owner shall pay CMAR only the direct value of its completed Work and materials supplied as of the date of termination. CMAR shall be entitled to profit and overhead on completed Work only but shall not be entitled to anticipated profit or anticipated overhead.

9.1.2 If the Owner suspends the Work for one hundred eighty-one (181) consecutive days or more, such suspension shall be deemed a termination for convenience.

9.1.3 Upon such notice of termination for convenience, CMAR shall proceed with the following

obligations:

- 9.1.3.1 Stop Work as specified in the notice.
- 9.1.3.2 Place no further subcontracts or orders.
- 9.1.3.3 Terminate all subcontracts to the extent they relate to the Work terminated. CMAR shall ensure that all subcontracts contain this same termination for convenience provision set forth in this Agreement.
- 9.1.3.4 At the Owner's sole discretion and if requested in writing by the Owner, assign to the Owner all rights, title and interest of CMAR under the subcontracts subject to termination.
- 9.1.3.5 Take any action that may be necessary for the protection and preservation of the property related to this Agreement that is in the possession of CMAR and in which the Owner has or may acquire an interest.

 - 9.1.5.3 CMAR shall be entitled to profit and overhead on completed Work only but shall not be entitled to anticipated profit or anticipated overhead. If it is determined that CMAR would have sustained a loss on the entire Work had they been completed, CMAR shall not be allowed profit and the Owner shall reduce the settlement to reflect the indicated rate of loss.
- 9.1.6 CMAR shall maintain all records and documents for three (3) years after final settlement. These records shall be maintained and subject to auditing as prescribed in this Agreement.

9.2 The Owner's Right to Perform and Terminate for Cause

- 9.2.1 If the Owner provides CMAR with a written order to provide adequate maintenance of traffic, adequate cleanup, adequate dust control or to correct deficiencies or damage resulting from abnormal weather conditions, and CMAR fails to comply in a time frame specified, the Owner may have work accomplished by other sources at CMAR's sole expense.

- 9.2.3 Upon the occurrence of a terminable event, Owner may provide written notice to CMAR that it intends to terminate this Agreement unless the problem cited is cured, or commenced to be cured, within seven (7) days of CMAR's receipt of such notice.

- 9.2.3.1 If CMAR fails to cure, or reasonably commence to cure, such problem, then Owner may give a second written notice to CMAR of its intent to terminate within an additional seven (7) day period.

- 9.2.4 Upon declaring this Agreement terminated, Owner may enter upon the premises and take possession, for the purpose of completing the Work, of all materials, equipment, scaffolds, tools, appliances and other items thereon, which have been purchased or provided for the performance of the Work, all of which CMAR hereby transfers, assigns and conveys to Owner for such purpose, and to employ any person or persons to complete the Work and provide all of the required labor, services, materials, equipment and other items.
- 9.2.5 In the event of such termination, CMAR shall not be entitled to receive any further payments under the Contract Documents until the Work shall be finally completed in accordance with the Contract Documents. At such time, CMAR shall only be entitled to be paid for Work performed and accepted by the Owner prior to its default.
- 9.2.6 If Owner's cost and expense of completing the Work exceeds the unpaid balance of the Contract Price, then CMAR shall be obligated to pay the difference to Owner. Such costs and expenses shall include not only the cost of completing the Work, but also losses, damages, costs and expense, including attorneys' fees and expenses, incurred by Owner in connection with the procurement and defense of claims arising from CMAR's default.
- 9.2.7 If Owner improperly terminates the Agreement for cause, the termination for cause shall be converted to a termination for convenience in accordance with the provisions of this Agreement.

9.3 Maintenance During Winter Shutdown of Work; Snow Removal

- 9.3.1 The Capital Improvements Division of the City of Flagstaff retains the right to declare a Winter Shutdown when, in the opinion of the Owner, it would be unreasonable to continue Work due to adverse weather conditions. The Winter Shutdown determination is at the sole discretion of the Owner. If Work has been suspended due to winter weather, the CMAR shall be responsible for maintenance and protection of the improvements and of partially completed portions of the Work until final acceptance of the project. Winter Shutdown shall be by field order, change order or original contract. If repairs and/or maintenance are needed during the Winter Shutdown, the CMAR is required to perform the repairs and/or maintenance within twenty-four (24) hours of notification from the Owner. If the needed repairs and/or maintenance are not addressed within the timeframe, the Owner will accomplish the repairs and/or maintenance and deduct the cost from monies due or become due to the CMAR.
- 9.3.2 The Owner shall provide snow removal operations on active traffic lanes only. All other snow removal and maintenance operations shall be the responsibility of the CMAR. All cost associated with snow removal and proper disposal shall be considered incidental to the work including repair of temporary surface improvements due to normal wear and snow removal operations.
- 9.3.3 Upon termination of the Winter Shutdown by the Owner, the CMAR shall have the right to complete the Work and the Project.

12.21 CMAR and Subcontractor Employee Security Inquiries. The parties acknowledge that security measures required in this Section are necessary in order to preserve and protect the public health, safety and welfare. In addition to the specific measures set forth below, CMAR shall take such other measures, as it deems reasonable and necessary to further preserve and protect the public health, safety and welfare.

12.21.1 Security Inquiries. CMAR acknowledges that all of the employees that it provides pursuant to this Agreement shall be subject to background and security checks and screening ("Security Inquiries"). CMAR shall perform all such security inquiries and shall make the results available to Owner for all employees considered for performing work (including supervision and oversight) under this Agreement. Owner may make further security inquiries. Whether or not further security inquiries are made by Owner, Owner may, at its sole, absolute and unfettered discretion, accept or reject any or all of the employees proposed by CMAR for performing work under this Agreement. Employees rejected by Owner for performing services under this Agreement may still be engaged by CMAR for other work not involving the Owner. An employee rejected for work under this Agreement shall not be proposed to perform work under other Owner Agreements or engagements without Owner's prior approval.

12.21.2 Criteria for Evaluating Security Inquiries. Once formally adopted by Owner, criteria for excluding an individual from performing work under this Agreement shall be communicated by Owner to CMAR and used by CMAR as a factor in making its decision. Prior to such adoption, CMAR shall use its best judgment in making its decision using, among other criteria, applicable law, administrative regulations of federal, state and local agencies concerned with work performed under this Agreement, specific local concerns that deal with the specific work and work location(s) of the Project, and standards used by Owner in evaluating its own personnel.

12.21.3 Additional Owner Rights Regarding Security Inquiries. In addition to the foregoing, Owner reserves the right to: (1) have an employee/prospective employee of CMAR be required to provide fingerprints and execute such other documentation as may be necessary to obtain criminal justice information pursuant to A.R.S. § 41-1750(G)(4); (2) act on newly acquired information whether or not such information should have been previously discovered; (3) unilaterally change its standards and criteria relative to the acceptability of CMAR 's employees and/or prospective employees; and, (4) object, at any time and for any reason, to an employee of CMAR performing work (including supervision and oversight) under this Agreement.

12.21.4 Background and Security-Contracts and Subcontracts. CMAR shall include the security inquiry terms of this Section for employee background and security checks and screening in all contracts and subcontracts for work performed under this Agreement, including supervision and oversight.

12.21.5 Materiality of Security Inquiry Provisions. The security inquiry provisions of this Agreement, as set forth above, are material to Owner 's entry into this Agreement and any breach thereof by CMAR may, at Owner's sole and unfettered discretion, be considered to be a breach of contract of sufficient magnitude to terminate this Agreement. Such termination shall subject CMAR to liability for its breach of this Agreement.

12.22 Hazardous Materials

12.22.1 Unless included in the Work, if CMAR encounters material on the Site which it reasonably believes to contain asbestos, polychlorinated biphenyl (PCB), or other hazardous substances or materials regulated by applicable law, it shall immediately stop work and report the condition to the Owner.

12.22.2 If the material is found to contain asbestos, PCB or other hazardous substances or materials regulated by applicable law, CMAR shall not resume work in the affected area until the material has been abated or rendered harmless. CMAR and the Owner may agree, in writing, to continue work in non-affected areas on the Site.

12.22.3 An extension of Contract Time may be granted in accordance with this Agreement.

12.22.4 CMAR shall comply with all applicable laws/ordinances and regulations and take all appropriate health and safety precautions upon discovery.

12.23 Computer Systems

12.23.1 CMAR shall warrant fault-free performance in the processing of date and date-related data including, but not limited to calculating, comparing, and sequencing by all equipment and software products, individually and in combination, from the commencement of the Work. Fault-free performance shall include the manipulation of data when dates are in the 20th or 21st centuries and shall be transparent to the user. Failure to comply with "Year 2000" requirements shall be considered a breach of this Agreement.

12.24 Traffic Control

12.24.1 CMAR shall comply with all provisions of the latest version of the Manual on Uniform Traffic Control Devices and any other traffic control provisions as may be provided in the technical specifications.

12.25 No Boycott of Israel

12.25.1 Pursuant to A.R.S. §§ 35-393 and 35-393.01, if a Party has over ten (10) employees and the Agreement is worth at least one-hundred thousand dollars and no cents (\$100,000), the Party shall certify that it is not currently engaged in, and agrees, for the duration of the Agreement, will not engage in a boycott of Israel.

12.26 Forced Labor of Ethnic Uyghurs

12.26.1 If CMAR engages in for-profit activity and has ten (10) or more employees, pursuant to A.R.S. §35-394, CMAR certifies that it does not currently, and agrees for the duration of the contract that it will not, use: 1) the forced labor of ethnic Uyghurs in the People’s Republic of China; 2) any goods or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China; and 3) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China. If CMAR becomes aware during the term of the Contract that the company is not in compliance with the written certification, CMAR shall notify the Owner within five business days after becoming aware of the noncompliance. If CMAR does not provide the Owner with a written certification that CMAR has remedied the noncompliance within 180 days after notifying the Owner of the noncompliance, this Contract terminates, except that if the Contract termination date occurs before the end of the remedy period the Contract terminations on the Contract termination date.

EXHIBIT A - PROJECT DESCRIPTION

The Project is located within the Schultz Creek drainage corridor in Flagstaff, Arizona, and can be described as a stormwater infrastructure improvements project. The existing box culvert and downstream stormwater infrastructure within US Highway 180 has limited capacity to convey stormwater runoff in the post-fire conditions. The Project is comprised of a new sediment basin, channel regrading, alluvial fan, box culvert, landscaping, demolition/abandonment of existing stormwater conveyance structures and removal and replacement of existing pavements within US Highway 180 and private properties. The Schultz Creek channel will be regraded and re-routed to improve capacity and realign the channel with a new box culvert under US Highway 180 and to the west to the Rio de Flag. The new box culvert will be sized to convey a higher flow rate than the existing stormwater infrastructure. A new sediment basin will be designed upstream of the new box culvert to release sediment prior to the stormwater entering the box culvert. A new alluvial fan like structure will be designed downstream of the box culvert to slow stormwater discharge before entering the Rio de Flag. The parcel containing the alluvial fan will have beautification components consisting of landscaping, rock placement, etc. Existing stormwater infrastructure will need to be abandoned in place or removed but is to be determined. Other components of the project will be several franchise utility relocations, City utility replacement/realignments, and roadway replacement. Engineering 30% designs have been provided to the Contractor.
