## RESOLUTION NO...

**A RESOLUTION OF THE FLAGSTAFF CITY COUNCIL FOR SUPPORTING ISRAEL'S RIGHT TO DEFEND ITSELF, SUPPORT THE IMMEDIATE RELEASE OF ALL HOSTAGES HELD BY TERRORIST GROUP HAMAS AND ANY PALESTINIANS, AND THE IMMEDIATE SURRENDER OF THE TERRORIST GROUP HAMAS.**

### RECITALS:

All human life is precious and Israel has always taken above normal standards to protect civilians whilst targeting terrorists, opposing military forces, and criminals.

Between October 7<sup>th</sup> 2023 and today,

- Every single civilian life lost is a tragedy, both Israeli, Palestinian and the many others that are sometimes forgotten.
- Every single civilian life lost can be blamed on the terrorist group Hamas, who started this current war by committing the evil murders, tortures, rapes, kidnappings, and continuous bombings into civilian Israeli and Palestinian territories to this day.
- Every single conflict with Israel was started by an opposing group or country. Israel only wished for peace, whilst surrounding and some internal people, terrorist groups, and countries only wish for Israel's destruction and the genocide of ALL Jewish and Israeli's.
- Anti-Zionism is Anti-Semitism.

On January 26<sup>th</sup> 2024, International Court of Justice (ICJ) ordering Israel to prevent genocide, improve humanitarian crisis, and telling terrorist group Hamas to release the hostages is an absolute disgrace. Israel targets terrorists only and take precautions above all international standards to avoid civilian casualties. Asking this whilst trying to negotiate with terrorists that will laugh at such "orders" shows the little care ICJ has for the hostages still being held and all the innocent people that suffered murder, rape and torture on October 7<sup>th</sup> 2023.

From the start of the war to today, Israel has allowed all humanitarian aid into Gaza. The same aid that was seen to be stolen by Hamas whilst shooting civilians, the same aid again that is seen being sold on the streets of Gaza by the Palestinian people there.
