MEMORANDUM

Memo #24-074

TO: Chief Connolly

FROM: Sgt. N. Almendarez #703

DATE: August 28th, 2024

RE: New Application – Series 03 (In State Microbrewery) Liquor License Application– Wanderlust Brewing Company

On August 28th, 2024, I initiated an investigation into a new application for a Series 03 (In State Microbrewery) liquor license filed by Nathan Harris Phillips (Agent and Controlling Person) and David Harris Phillips (Controlling Person). This is for a new application, and the application number is 300145. It is for Wanderlust Brewing Company, located at 1519 North Main Street #102, Flagstaff, AZ.

I conducted a query through local systems and public access on Nathan and David. I discovered no derogatory records. I conducted a search for current or historical liquor violations on the business and found one violation. In March 2024 the business was fined for a violation of ARS 4-205.08(D).1 where a microbrewery shall not produce less than 5,000 gallons of beer in a calendar year.

I found evidence that the applicants have taken the mandatory liquor license training. This business is not located within 300 feet of a school.

A representative for the business was invited to be present for the council meeting on September 17th, 2024.
