RE: New Application – Series 6 (Bar) Liquor License Application– Baddies Food Joint

On October 28th, 2024, I initiated an investigation into a new application for a Series 06 (Bar) liquor license filed by Jeffrey Craig Miller (Agent), Donald Lee Hulen II (Controlling Person) and Eric Dwight Sorenson-Livingston (Controlling Person). This is for a new application, and the application number is 305868. It is for Baddies Food Joint, located at 409 South San Francisco Street, Flagstaff, AZ.

I conducted a query through local systems and public access on Jeffrey, Donald and Eric. I discovered no derogatory records. I conducted a search for current or historical liquor violations on the business and located multiple violations.

I found evidence that the applicants have taken the mandatory liquor license training. This business is not located within 300 feet of a school.

A representative for the business was invited to be present for the council meeting on November 19th, 2024.
