20th Anniversary

Alvin Goldtooth has been working in the Public Works Fleet Services for 25 years. Alvin has seen many vehicles and equipment come and go throughout his tenure with the City of Flagstaff. He has also worked at the old Public Works Yard and has seen many changes. Alvin always provides guidance to new technicians and continues to keep our fleet rolling. He is known at the Preventive Maintenance Master of all vehicles and especially heavy equipment. You will find Alvin in the shop with a smile on his face and always a great story to tell about his day. Alvin is a wonderful human and we are lucky to have him with us serving our vehicles and equipment.

**Alvin Goldtooth
Mechanic I
25th Anniversary**

CONGRATULATIONS
