To the Heritage Preservation Commission,

My name is Nick Geib, I live at 1625 N. Sunset Drive and this email pertains to a Historic Preservation Grant in the amount of \$10,000 that I received on July 16, 2023. Due to a delay in acquiring a hard to source siding the work was not completed until August of 2024 and because of this I am requesting a one year extension to fulfill the obligations of this grant.

Thank you for your consideration,
Nick Geib
