AGENDA ITEM: Treatment Facilities Master Plan Scope of Services

STATEMENT: The Water Services Department has hired Hazen and Sawyer through a qualifications-based process to develop a Treatment Facilities Master Plan (TFMP). The contract was awarded on July 2, 2024 by the City Council.

The TFMPs primary objective is to address near and long-term management of wastewater and biosolids produced at the Rio de Flag Water Reclamation Facility and the Wildcat Hill Water Reclamation Facility.

RECOMMENDATION: N/A

DISCUSSION: There will be a brief presentation on the scope of services for the Treatment Facilities Master Plan and then then time for questions from the Water Commission. The Consultant may be available in person or remotely to assist.
