

Resolution – IGA for Highway Safety Improvement Program Scoping

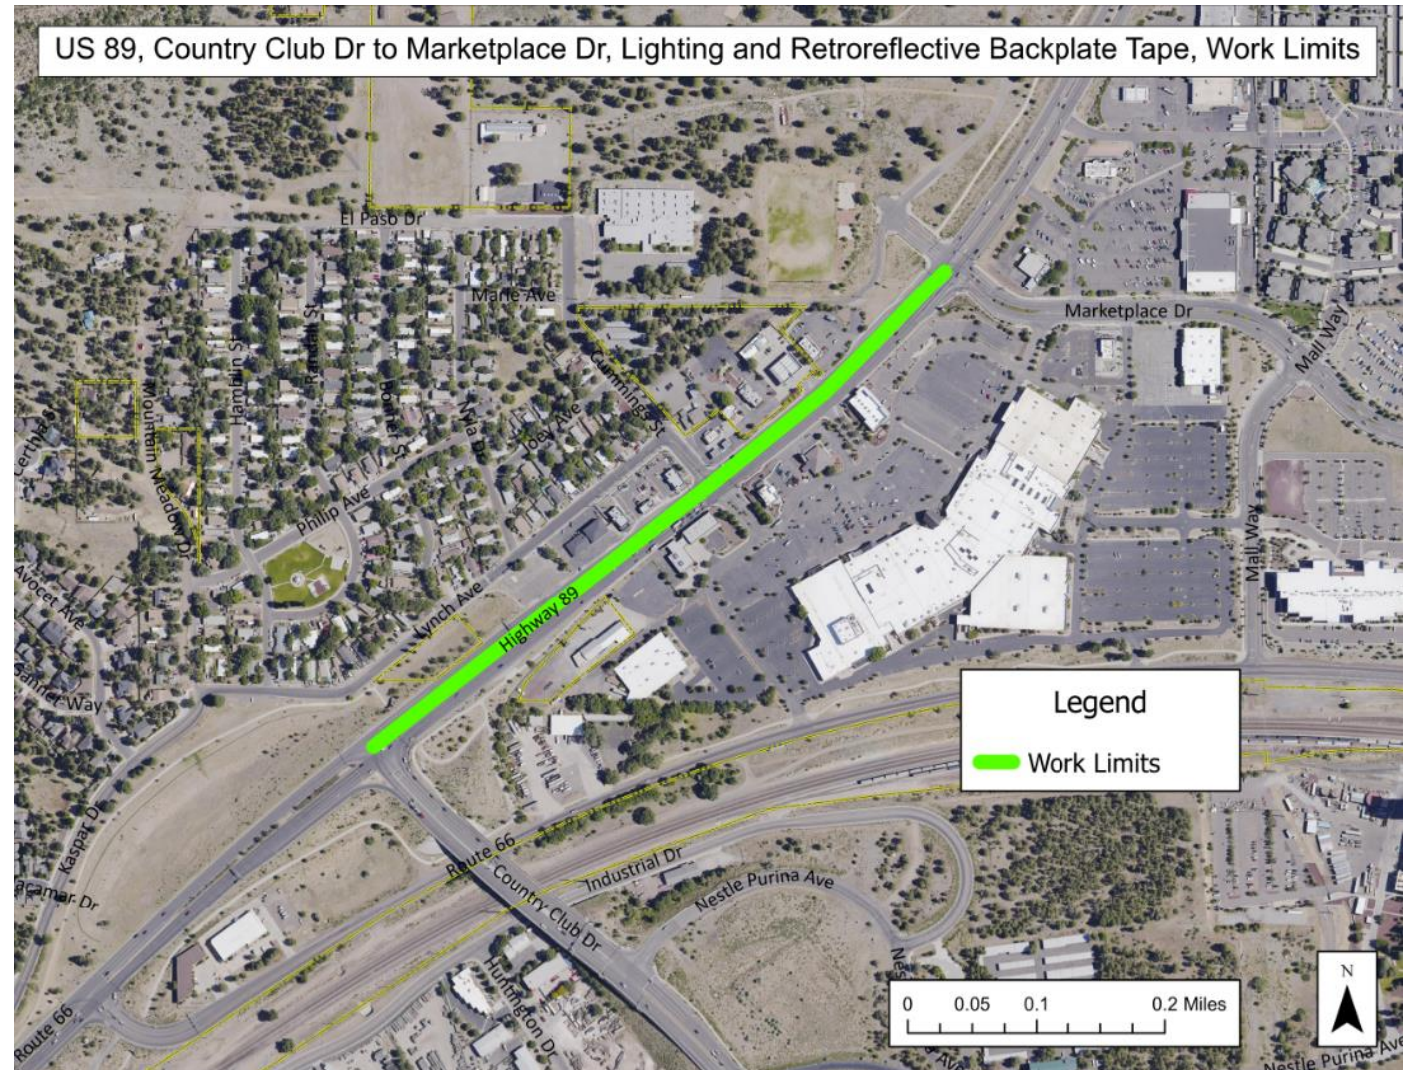

City Engineering – 4/1/2025

Background

- In May 2024, the City of Flagstaff applied for a Highway Safety Improvement (HSIP) grant for street lighting and retroreflective backplates along Highway 89

HSIP Scoping- IGA

- The grant will fund the \$2.7 million project at 100%
- All HSIP projects require third party scoping at \$40,000 with a 5.7% match of \$2,280
- The project is estimated to reduce fatal and serious injury crashes along the section of Highway 89 by 25%

HSIP Scoping- IGA
