Depiction of planned trails on State Trust Land do not constitute final location of or legal access to trails unless a legal trail easement is obtained from ASLD. In the absence of a legal trail easement, any recreational use of State Trust Land requires that individuals and/or groups obtain a Recreation Permit. Permits can be acquired through ASLD's online portal at https://asld.secure.force.com/recreationalpermit/. Please note that certain State Trust Lands may be closed to some or all recreational activities, such as camping or campfires.

Disclaimer: Designation of planned trails does not constitute a final location or legal access unless there is a legal trail easement. Future trails are conceptual in nature and may be redesigned as development is proposed to provide a similar connection with alternative alignment.
