25th Year Anniversary

Sarah Darr
Housing Director

Today, we proudly celebrate Sarah's 25 years of dedicated service to the City of Flagstaff. Born and raised in this community, Sarah has devoted her career to making a lasting difference in the place she calls home. As Housing Director, she has brought vision, compassion, and determination to one of the city's most pressing challenges—affordable housing. Her passion for ensuring that Flagstaff families have access to safe, stable, and affordable homes has guided her leadership and inspired those around her. Sarah's commitment reflects not only her professional excellence but also her deep care for her neighbors and her city. We are grateful for her many contributions as we celebrate this milestone.

30th Year Anniversary

Lawrence Pino
Parks Maintenance Worker

Lawrence Pino began his career with Recreation and Athletics where he has created an expertise in programming, officiating, field allocation, and then with a move to Parks where he has worked diligently on keeping park spaces clean and ready for the next event. Lawrence is a Flagstaff local where he roamed around town with his family and many siblings playing all sports. Watching sports today is one of Lawrence's pastimes, of which you can count on him to provide any details of the previous nights' games including stats!

PROSE is elated to celebrate the 30th work anniversary of Lawrence, and hope that he is enjoying some well-earned time off today.
