

Dear Ms. Tillson (Library Director), Mr. Clifton (City Manager), Mayor Daggett, and members of the City Council,

The City of Flagstaff Commission on Inclusion and Adaptive Living (CIAL) has been established with the duty to advise the Flagstaff City Council on issues affecting individuals with disabilities in our community. With our duty in mind, we are submitting this letter to provide a voice for those members of our community whom we represent.

Today, we would like to congratulate and thank, you, Ms. Tillson, and the library staff, for recognizing Disability Pride Month with the establishment and facilitation of a Disability Pride bookstall at the Downtown Public Library. Not only is the bookstall filled with books about people with disabilities and the history of the disability rights movement, but there are also books written by authors whom identify as people with disabilities. Please know how meaningful this recognition of disability rights, as well as how people with disabilities have contributed to American society, is to the disabled community of Flagstaff. So thank you for this.

In appreciation,

Members of the City of Flagstaff Commission on Inclusion and Adaptive Living
