

CITY OF FLAGSTAFF – OFFICE OF THE MAYOR

PROCLAMATION

The City of Flagstaff joins the national celebration of women’s history and the contributions of women of every race, class, and life experience in shaping the growth, prosperity, resiliency, and legacy of our nation in ways both documented and undocumented; and

Women in this country have played and continue to play critical economic, cultural, and social roles in every area of the life of our nation, representing a significant portion of the labor force, including enduring legacies in volunteer services, philanthropic and cultural institutions, the United States military, and in local, state, and national governance; and

We recognize that despite the continuing disparities in wages and opportunities they face, women continue to serve as leaders for their own rights and the civil and economic rights of others, and we honor the national call to reverse the years in our history for which the roles of women in shaping that history have been overlooked and undervalued; and

The National Women’s History Alliance has announced that the theme of 2025’s Women’s History Month commemoration is “Moving Forward Together! Women Educating & Inspiring Generations,” celebrates the collective strength and influence of women who have dedicated their lives to education, mentorship, and leadership. Through their efforts, they have served as an inspiration for all generations — both past and present.

The Commission on Diversity Awareness recommends the designation of March 2025 as
