

Ponderosa Park

Presentation for Beautification and Public Arts Commission

Rebecca Sayers, PROSE Director

August 10, 2026

Quick History

- **Flooded in 2021 and heavily damaged**
- **All amenities other than the sport courts and parking lot were closed and eventually removed**
- **Area was included in the Spruce Wash Flood Mitigation suite of projects, completed June 2026**
- **Addition of approximately one acre north of the existing park**

The Facts

Budget

- PROSE \$500,000
- Community Development Block Grant \$400,000
- Play manufacturer partner / grant TBD

Timeline

- Design fall – winter 2026
- Drawings / permits spring 2027
- Construction summer 2027
- Completion fall 2027

The Site

- Sport courts and parking lot remain
- North section added ~1 acre
- New grass installed as part of flood control east of sport courts
- Ponderosa Head start play area is separated
- PROSE began community outreach in July to get the neighborhood's input on rebuilding their neighborhood park
