Flagstaff Police Department

Scope of Work:

Peregrine Technologies, Inc. will deliver the Peregrine software platform ("Peregrine") to Flagstaff Police Department to provide access to Peregrine's data integration and analysis software. Under this scope of work Peregrine will integrate data from: Hexagon CAD and RMS.

The Customer is responsible for any third-part data access or API fees.

Peregrine is providing these capabilities under a firm-fixed-price license that includes all support, training, and cloud hosting services needed to achieve the project objectives.

The quoted amount includes Peregrine's absorption of the tax amount. No tax is needed on PO.
