

4th of July Drone Show

PROSE and Discover Flagstaff

Planning for a Large Event

An Incident Action Planning (IAP) process was established with the contract approval (March 2026) with Emergency Management. The planning team has assembled numerous times and will throughout the entire process.

Planning discussions include visible notification, traffic control pre, during and post special event, multi-modal opportunities, information for the community including visiting community.

Special Event Planning

Drone operator vendor coordination on the storyboard creation

External partnerships on planning

Activation creation and contracting

Planning of onsite coordination

Special Event Logistics

Reserved paid parking will be located at Sinagua Middle School

Special Event Logistics

MVD accessible parking spaces onsite available for reservation for free for eligible vehicle

Park and Ride Locations

Mountain Line will provide park and ride service from NAU and the Flagstaff Mall parking lots to Foxglenn Park.

Service from Foxglenn Park back to NAU and the Flagstaff Mall will occur post event.
