All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
5. Notice: Please be aware that due to the conflict between federal and state laws concerning the cultivation, distribution, manufacture or sale of marijuana, the Company is not able to close or insure any transaction involving Land that is associated with these activities.
6. Compliance with Company policies relating to absentee owners, if applicable.
7. Furnish proof that any outstanding municipal and/or county tax assessments which are due have been paid current.
8. Please be advised that our search did not disclose any open Deeds of Trust of record. If you should have knowledge of any outstanding obligation, please contact the Title Department immediately for further review prior to closing.

SCHEDULE B, PART I - Requirements

(continued)

10. For each policy to be issued as identified in Schedule A, Item 2; the Company shall not be liable under this commitment until it receives a designation for a Proposed Insured, acceptable to the Company. As provided in Commitment Condition 4, the Company may amend this commitment to add, among other things, additional exceptions or requirements after the designation of the Proposed Insured.

Tax Note:

Year: 2025

Tax Parcel No: [103-04-006D](#)

Total Tax: \$0.00

A cursory search of the title does not indicate a right of way access to this property. In order to attempt to reduce the potentially vast number of properties that may need to be searched to determine the existence of such right, we require a map showing the physical route taken to and from the Land. No further search for access will be attempted until such map is received. Further, additional charges may be made to make the necessary examinations of property to determine access. However, no work that would incur additional charges shall be commenced without approval of the appropriate parties to this transaction. An exhaustive search of the surrounding properties does not guarantee the existence of insurable access even though the roads providing physical access to the property are maintained by a government entity. In the event this transaction is closed prior to a final determination of the existence of an insurable right of access, the following exception shall be placed in Schedule B of the policy:

“The lack of a right of access to and from the Land.”

Note: Any documents being executed in conjunction with this transaction must be signed in the presence of an authorized Company employee, an authorized employee of a Company agent, an authorized employee of the insured lender, or by using Bancserv or other Company-approved third-party service. If the above requirement cannot be met, please call the Company at the number provided in this report.

Inquire before you wire!

WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.
If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you.
