00:05:02 Speaker 10

Just saying, we don't have our.

00:05:03 Speaker 3

Chair or our red chair. Comments from the public.

00:05:09 Speaker 3

No, no, ma'am. New business discussion of the Ahac report.

00:05:15

Hey.

00:05:20 Speaker 8

Are we introducing ourselves to this melancholy?

00:05:23 Speaker 6

I want to hear, I mean I know how.

00:05:25 Speaker 6

I am with.

00:05:27 Speaker 6

You at any time you come to a meeting that deals with anything in government. I try to make them understand that it's greatly sitting back, but if you have public comments like a meeting like this, at least stand up and introduce yourself.

00:05:42 Speaker 6

Put your name in the records.

00:05:43 Speaker 6

In the Minutes and and then you will you will be there.

00:05:46 Speaker 6

Not that we would like to know. I bet you're outside, but I I.

00:05:50 Speaker 6

Want to remember? So I would like to.

00:05:51 Speaker 4

Before you.

00:05:53 Speaker 9

Know, you know, take your name and.

00:05:56 Speaker 6

You know, food and I'll be your.

00:06:00 Speaker 5

Hello, my name is Yvonne High School.

00:06:06 Speaker 8

Welcome.

00:06:08 Speaker 6

For the Youth Council.

00:06:10 Speaker 5

I'll try, but they said I'll mess it up. So they sent me another and when I went on the website it wouldn't let me set it up.

00:06:17 Speaker 6

Owner Doug.

00:06:21 Speaker 7

More more things.

00:06:24 Speaker 6

I'm sorry it wouldn't be there.

00:06:30 Speaker 6

I want to maintain this earth so.

00:06:36 Speaker 5

No worries you.

00:06:37 Speaker 6

This.

00:06:39 Speaker 8

You could send them away so wanted to provide you all with the advisory. Sorry, affordable, verified, avoidable Housing Advisory Committee report your recommendations. This seems to be the final version.

00:07:00 Speaker 8

I did paper copies today. I can't send it since the the bulk of the.

00:07:08 Speaker 8

The the Ahac are not here. The committee members. I'd like you to review it and potentially vote on it online if it's a go, please provide me your responses and I could submit this for our RLS process and submit it for the agenda.

00:07:28 Speaker 8

For the end of the year so that we can get it over to ship by December 2nd.

00:07:35 Speaker 8

The earlier the.

00:07:36 Speaker 8

Better, we want to remain timely and provide all the details that we can to to our manufacturing. So with that, these are the recommendations. In addition to that ordinance.

00:07:55 Speaker 8

24-032 that went along with the recommendation that you all have made.

00:08:02 Speaker 8

And there's also the PowerPoint inside.

00:08:04 Speaker 8

Of it that.

00:08:07 Speaker 8

References the Comfort comprehensive plan that you all agreed upon. It's actually on.

00:08:12 Speaker 8

Page 2 it's the third slide.

00:08:16 Speaker 8

So this goes in line with.

00:08:18 Speaker 8

Everything at the end of the report.

00:08:22 Speaker 8

I know I've poured over it several times. If.

00:08:24 Speaker 8

You have any questions, please feel free to.

00:08:28 Speaker 2

That.

00:08:28 Speaker 1

Commission was the ordinance, was it fully signed and documented and read it?

00:08:35 Speaker 4

It says it went to.

00:08:36 Speaker 2

Right.

00:08:36 Speaker 10

August planning duty. Yes. City Commission. Yes, yes.

00:08:40 Speaker 2

For every.

00:08:42 Speaker 8

So it's on.

00:08:44 Speaker 1

So the it's it's time for ordinance.

00:08:47 Speaker 8

Yeah, it's on the website.

00:08:49 Speaker 1

Yes.

00:08:49 Speaker 6

OK, I'm looking at an outside.

00:08:51 Speaker 6

I'm looking at it now, yes.

00:08:53 Speaker 6

This is good.

00:08:55 Speaker 6

YouTube.

00:08:56 Speaker 10

Yeah, I noticed that. You know that would be the one thing that we could update here is the date on that ordinance and the IT said it was scheduled to go to planning board.

00:09:05 Speaker 10

So we could update it.

00:09:06 Speaker 10

With the date it was adopted.

00:09:07 Speaker 1

OK. Yeah, we we copy not red line.

00:09:10 Speaker 8

Well, no, that's what's been posted by the city.

00:09:13 Speaker 8

Clerk, I wanted a cleaner copy today as well. I was searching everywhere and I could not find the the the city clerk directed us to the website where we went through and found all the ordinances and we were like this. Is there not a cleaner copy? They were like no, this is what passed. So this is.

00:09:34 Speaker 8

What? What's there?

00:09:35 Speaker 10

Well, it would be. It will be updated Queen.

00:09:35 Speaker 7

Really.

00:09:38 Speaker 10

In mini code and so when you know.

00:09:41 Speaker 10

At the next update.

00:09:43 Speaker 10

For the online code.

00:09:44 Speaker 2

It'll OK.

00:09:48 Speaker 8

So there's still a request to.

00:09:49 Speaker 8

Update it via e-mail.

00:09:51

Yeah.

00:09:51 Speaker 10

That's that should be standard in the planning department wants a couple times a year. Sometimes they'll send all of the new ordinance and the ordinances over the community, but I mean well.

00:10:04 Speaker 2

Which is.

00:10:07 Speaker 6

I understand.

00:10:09 Speaker 10

It's always something. It's always adopted in strange.

00:10:13 Speaker 6

You do have people there.

00:10:15 Speaker 6

You.

00:10:16 Speaker 6

Would want this copy and we want to see what's changed where it should instead of just the green and red. It's up this this is what's on the seat. And then when it's changed, you know.

00:10:28 Speaker 4

No.

00:10:29 Speaker 6

You have any opportunity to the meeting?

00:10:34 Speaker 6

What they have said along with that, you don't see it.

00:10:40 Speaker 6

Mutual like to read it and and.

00:10:44 Speaker 6

Do a vote online.

00:10:46 Speaker 6

I think that we need to put a date.

00:10:51 Speaker 6

Machines will both, because you need to open.

00:10:54 Speaker 8

I did say September 12.

00:10:56 Speaker 8

That I'd like your responses back, but nobody responded.

00:10:59 Speaker 8

So it's like.

00:11:01 Speaker 4

You go when you're ready. I'm sorry.

00:11:04 Speaker 6

I'll be the first.

00:11:06 Speaker 7

Deadline.

00:11:10 Speaker 8

October 15th.

00:11:11 Speaker 10

So what I'm wondering is.

00:11:15 Speaker 10

Does everybody want more time to review it?

00:11:19 Speaker 10

Feel like more time for review? Just one time.

00:11:20 Speaker 4

This report.

00:11:22 Speaker 7

But definitely by the 15, yes, yes, I'm comfortable.

00:11:28 Speaker 10

As long as that date is changed to the.

00:11:30 Speaker 10

Adopted date like I.

00:11:31 Speaker 10

Would feel comfortable making a recommendation, making a motion to approve with that change made just to get it done.

00:11:38 Speaker 10

But if you guys want time, I'm totally fine.

00:11:40 Speaker 1

But we're not gonna kill you.

00:11:42 Speaker 1

Authority saying done so. Anything else we can train each of the body of the. I agree. I don't know if we need more time.

00:11:54 Speaker 6

Very personal. Ready to go. You know we can't change the orders. I'm always listening to, you know, board members. We have requests for us more time to.

00:12:03 Speaker 6

Read.

00:12:03 Speaker 6

It you know.

00:12:04 Speaker 6

I don't want to stop it, so I.

00:12:07

Mean.

00:12:08 Speaker 6

If I say.

00:12:10 Speaker 8

OK. Yeah, there's the third. So like 5:15.

00:12:10 Speaker 5

I heard.

00:12:11 Speaker 7

Takes 2000.

00:12:14 Speaker 7

Yeah, I mean, I'm a regular tonight, so yeah, yeah, they.

00:12:17 Speaker 6

That's where I'm going you.

00:12:18 Speaker 6

Know you know where I'm going. So I'm like.

00:12:21 Speaker 2

You know. Yes, yes would.

00:12:22 Speaker 6

Want to raise through it? Monday, everybody.

00:12:31 Speaker 6

Read over the.

00:12:32 Speaker 6

Weekend.

00:12:34 Speaker 6

Plus you get ready for you.

00:12:36 Speaker 5

Thing.

00:12:41 Speaker 8

So.

00:12:41 Speaker 1

We read forward it tonight.

00:12:44 Speaker 1

Monday, Monday, Monday by e-mail.

00:12:45 Speaker 2

Right.

00:12:53 Speaker 8

Yes.

00:12:55 Speaker 1

On the e-mail you approved your.

00:12:56 Speaker 2

Yes.

00:12:58 Speaker 8

I'll send it out for the soft copy as well so that you can all respond to that e-mail and say, hey, yes, no thank you.

00:13:02 Speaker 1

Rich.

00:13:05 Speaker 1

Now, are we just replying to you or replying to the group?

00:13:07 Speaker 8

Yes, just yes.

00:13:12 Speaker 1

I don't want to know.

00:13:13 Speaker 8

Well, sunshine.

00:13:20 Speaker 8

And so.

00:13:23 Speaker 8

When I receive your.

00:13:25 Speaker 8

Confirmations on Monday, I'll make the determination of whether or not to put it out into.

00:13:30 Speaker 8

Our RLS process.

00:13:32 Speaker 8

Which is our our league, our internal legal process, where our city attorney's office will review it for formal correctness and forward.

00:13:39

1.

00:13:43 Speaker 3

And let me.

00:13:44 Speaker 8

Know that whether it's ready or not, so you form a correctness process and then it should appear on the December 2nd agenda. If you want to come in to support it, you're more than welcome to come in on that evening.

00:14:00 Speaker 4

Push it forward.

00:14:01 Speaker 8

Which is the date again, December 2nd.

00:14:03 Speaker 7

To some person.

00:14:05 Speaker 1

As a Commissioner.

00:14:07 Speaker 2

Yeah.

00:14:08 Speaker 8

5:05.

00:14:11 Speaker 8

First Monday of December.

00:14:15 Speaker 2

I.

00:14:16 Speaker 8

Think I have one audience member that will be.

00:14:18 Speaker 8

There already. So yeah, I'll be there.

00:14:20 Speaker 10

Put it on my.

00:14:24 Speaker 6

Check my calendar.

00:14:37 Speaker 8

Thank you. You're more than.

00:14:38 Speaker 10

Welcome. I just sent you my note.

00:14:44 Speaker 3

Do we have any?

00:14:46 Speaker 8

Old business.

00:14:50 Speaker 8

No.

00:14:53 Speaker 7

Uh.

00:14:54 Speaker 3

Committee and staff this session. You guys have anything else you'd like to follow?

00:14:59 Speaker 6

I want to ask one question.

00:15:01 Speaker 6

Because I know a lot of times.

00:15:04 Speaker 6

On the travel.

00:15:07 Speaker 6

Is there anything in our bylaws or anything could you think about about?

00:15:12 Speaker 6

OK, set up some type.

00:15:15 Speaker 6

You know you can't vote, you can't vote, and it doesn't count as a corn cob. I read about it doesn't count as a qualm, but it's some people can get caught in traffic or whatever appear by zoom, but at least you could have a conversation with everybody. Just want to throw that out there.

00:15:17 Speaker 2

Right.

00:15:33 Speaker 4

Right.

00:15:35 Speaker 6

Yeah, I'm. I'm using it as an excuse for not show up. So we need you here. We need you here. But it's always great to have an option. And just if I came.

00:15:45 Speaker 6

If I can't make it or someone can't make.

00:15:47 Speaker 6

It I don't want.

00:15:48 Speaker 6

Got my phone in another week doing this, you know, listening and doing whatever. Yeah, I do it all the time.

00:15:55 Speaker 8

We've extended that courtesy so we don't see, we don't see it being an issue.

00:15:56 Speaker 7

Yeah, yeah.

00:16:01 Speaker 8

I think we seems.

00:16:02 Speaker 8

We exchange so you could just send out the link if someone's not going to be here, let us know as early as possible. We'll get the link ready. Send it out so that folks can participate via.

00:16:04 Speaker 6

At just level.

00:16:13 Speaker 8

Team before ready.

00:16:13 Speaker 2

We started to.

00:16:15 Speaker 8

It's harder to record via teams.

00:16:16 Speaker 3

It wanted to record and transcribe because the team is like a bigger folk.

00:16:23 Speaker 3

OK.

00:16:25 Speaker 1

Hey.

00:16:27

Somewhere.

00:16:32 Speaker 8

And we'll record it. We'll, we'll, we'll record.

00:16:35 Speaker 8

The teams and we'll.

00:16:38 Speaker 3

The transfer from the team, I think they're.

00:16:43 Speaker 3

Yes.

00:16:44 Speaker 3

Small so you can get all the words.

00:16:51 Speaker 6

Thinking about hope maybe when I'm missing. Yeah, I really do. And you know, I sometimes I just can't be here.

00:16:52 Speaker 2

What?

00:16:56 Speaker 6

Excuse me.

00:17:00 Speaker 8

Understood. So we did adopt A motion for every other month for the remaining meetings for the 2024 year, if we could address what we want to look like moving forward in 2025, the holidays are approaching maybe in October already.

00:17:19 Speaker 8

November, December. Before you know it.

00:17:24 Speaker 8

We might want to take a vote on what it looks like for 2025.

00:17:30 Speaker 8

Or have it in our hopper so that we're like, you know, just mulling it over if we come in in.

00:17:35 Speaker 8

January.

00:17:36 Speaker 8

Let's have that conversation, then we might.

00:17:39 Speaker 8

Have a full a full committee so that.

00:17:42 Speaker 8

We can make that decision, then.

00:17:45 Speaker 7

Well, my appointment I believe ends January 2025 since do I need to like the file I'm going to thing.

00:17:51 Speaker 8

You did you do 2 years prior to this. Yeah. So I think it might be two terms at two years. So this is your second term that's ending.

00:17:59 Speaker 2

Yes.

00:18:02 Speaker 7

Now this is the second year of the yeah. So something because if we're voting for like January meetings down term we.

00:18:04 Speaker 4

Of.

00:18:04 Speaker 4

1st.

00:18:05 Speaker 8

Term. OK, so yes, you'll need to reappraise.

00:18:10 Speaker 10

We're probably jail.

00:18:14 Speaker 1

Pretty funny.

00:18:16 Speaker 3

Just so assure you reapply.

00:18:19 Speaker 3

They make you the city.

00:18:22 Speaker 3

Want you to.

00:18:23 Speaker 1

These senator notice.

00:18:27 Speaker 5

Storage.

00:18:32 Speaker 6

You're.

00:18:34 Speaker 8

It's on our website where the AHAC committee. You just click on the link and fill out the form, then it goes right to our city clerk's office.

00:18:44 Speaker 1

Those are the those Mr. Clark said you sent us a notice that were.

00:18:48 Speaker 8

I'm not sure I haven't.

00:18:49 Speaker 1

I don't.

00:18:49 Speaker 1

Where did you see already they're trying to do the shoes.

00:18:51 Speaker 3

Yeah, I'm going to say they send a notice because it's actually at a Commission meeting. So if you guys don't show up for the meeting.

00:19:00 Speaker 10

So and but we've heard.

00:19:00 Speaker 3

Asking.

00:19:03 Speaker 10

Yes.

00:19:09 Speaker 9

If.

00:19:09 Speaker 7

We do so if we were.

00:19:10 Speaker 7

To keep the every three months, we meet again. Yes, this.

00:19:14 Speaker 2

Some.

00:19:15 Speaker 8

Summer the 1st.

00:19:18 Speaker 8

Thursday and December would probably be what the 4th.

00:19:23 Speaker 8

Then I'll second is Monday, so they're worth it.

00:19:29 Speaker 2

Effect.

00:19:31 Speaker 7

Right after this December 7th meeting, yes.

00:19:37 Speaker 7

Yeah, I'm talking about that before the holidays and.

00:19:43 Speaker 8

Right. So we can table.

00:19:44 Speaker 8

The discussion about 2025 for.

00:19:45

This.

00:19:48 Speaker 10

Then yeah.

00:19:49 Speaker 10

I would love to.

00:19:50 Speaker 10

Talk a little bit more about.

00:19:51 Speaker 10

What we're going to do like it.

00:19:53 Speaker 10

Would be nice to hear that when the conversation.

00:19:55 Speaker 10

And what we have to do, what we will.

00:19:56 Speaker 4

Want.

00:19:57 Speaker 8

Be looking at so 11 strategies.

00:20:01 Speaker 8

And what you guys should get you selected 1 of this this year and we move that forward we were planning.

00:20:09 Speaker 8

At an ordinance.

00:20:12 Speaker 8

We can we assess those. Unfortunately, Florida Housing only offers those 11 strategies. However, we want to rework code or rework other.

00:20:26 Speaker 8

Areas of these strategies that we want to tease out a little bit more. It gives you all creativity in terms of the way you think about processes and how you want to administer those 11 strategies.

00:20:39 Speaker 10

The reason I ask this is that.

00:20:43 Speaker 10

If we are reevaluating the 11th strategy, something, I wonder if we if maybe we?

00:20:50

Should move support.

00:20:52 Speaker 10

Simply because there's not that much for us.

00:20:56 Speaker 2

I.

00:20:56 Speaker 8

I I thought that would be appropriate, but I did.

00:20:58 Speaker 8

Not want to suggest it because you.

00:21:00 Speaker 2

Know some people.

00:21:01 Speaker 10

Mean if it ended up that we had more.

00:21:03 Speaker 10

Work to do. Yeah, I know it makes more.

00:21:04 Speaker 8

No, we don't.

00:21:05 Speaker 10

Sense.

00:21:06 Speaker 7

Filled up the.

00:21:08

Right.

00:21:10 Speaker 10

But I'm open to you.

00:21:12 Speaker 10

Know whatever anybody said, I think it's a great.

00:21:13 Speaker 10

Idea to talk about.

00:21:14 Speaker 7

It in December, but.

00:21:17 Speaker 10

But that's kind of some initial feedback.

00:21:20 Speaker 1

Is there any way we can get?

00:21:24 Speaker 1

Maybe a short list of some of the affordable housing projects that are in the system right now. Important is.

00:21:32 Speaker 1

I mean, just to see if anybody's actually taking advantage of it.

00:21:37 Speaker 8

I could try to gather that.

00:21:39 Speaker 1

We could say, hey, look at this, this small job, this large job, this job taking advantage of it to see what the things we voted on, if they're being utilized.

00:21:48

Yes.

00:21:50 Speaker 1

Just let me know how to move forward in 2025.

00:22:09 Speaker 7

Where do we find the application again for boards?

00:22:15 Speaker 2

It is.

00:22:17 Speaker 8

Committees and those committees.

00:22:20 Speaker 10

Oh, it's actually invented. Got it.

00:22:20 Speaker 2

Vincent.

00:22:25 Speaker 10

I have one more thing.

00:22:28 Speaker 9

Yeah.

00:22:30 Speaker 10

So the Economic Development Council is hosting a housing summit.

00:22:37 Speaker 2

OK.

00:22:38 Speaker 10

January 30th.

00:22:40 Speaker 10

At mid Florida Event Center.

00:22:43 Speaker 10

It will start at 7:30 in the morning.

00:22:47 Speaker 10

And it will last until 1:30.

00:22:50 Speaker 10

Both breakfast and lunch will be.

00:22:51 Speaker 4

Served.

00:22:54 Speaker 10

Killing it and it will, we expect a a lot of interest. So I'm gonna send out the save the date for now.

00:23:07 Speaker 10

Thank you to Mr. Banks for serving on our steering committee with us and it is going to look at housing affordability in Saint Lucie County County Wide City, both the cities and the county. What we can think about doing, not just from a governmental policy perspective.

00:23:28 Speaker 10

But from, you know what is the role?

00:23:31 Speaker 10

Of the business.

00:23:32 Speaker 10

Community what is the perspective of employer? What are the nonprofits that are working in this space?

00:23:35 Speaker 2

Yes.

00:23:40 Speaker 10

What are some really creative things that other communities are doing? We'll have speakers coming in. We'll do panel discussions. And so we're looking for a really wide variety of people to attend. So everybody here, it would be great, really great to have staff, city staff attend this.

00:24:00 Speaker 10

We're looking, we are going to be requesting and especially our Commissioners. We are also requesting we are also hoping we schedule it for this state specifically because our state legislative delegation will still be here.

00:24:15

Right.

00:24:16 Speaker 10

And so we.

00:24:16 Speaker 10

Are hoping to get all of them there as well so that they can get some.

00:24:19 Speaker 10

Good ideas back to power rather.

00:24:21 Speaker 7

Than just the second ones I.

00:24:24 Speaker 10

Can't say that well and yeah, so excited about that, that that came out of the Economic Development Council Strategic Planning initiative this year.

00:24:36 Speaker 10

You know, in addition to.

00:24:37 Speaker 4

And.

00:24:38 Speaker 10

You know, getting all these great jobs that they're that they have been successful in getting now. We've got to make sure that the people who are getting paid the wages from those jobs can afford people place to live so.

00:24:53 Speaker 1

That's for sure.

00:24:56 Speaker 7

I'll send it out to them.

00:24:57 Speaker 7

Now, if they're not sure.

00:24:58 Speaker 8

Out there.

00:25:01 Speaker 6

Some of them.

00:25:02 Speaker 10

Yeah, I I checked your calendar. I I.

00:25:07

Actually.

00:25:08 Speaker 4

I work, I work very.

00:25:09 Speaker 7

Excited.

00:25:13 Speaker 6

So.

00:25:14 Speaker 6

If it's clear, I will be there, right?

00:25:17 Speaker 1

Looks like we're having pancakes together.

00:25:22 Speaker 6

But I would like to.

00:25:22 Speaker 6

Also, once we get the lead with these certain organizations did that, I'll let you get the information to.

00:25:30 Speaker 6

Launch with kind of.

00:25:30 Speaker 2

Yes.

00:25:34 Speaker 6

Monetary toll on the monetary.

00:25:36 Speaker 6

Tell Family leader from your mouth to show up at this event and see what's really going on.

00:25:45 Speaker 6

You know, they understand what's really going on and stay here second, third hand.

00:25:50 Speaker 6

And by that time.

00:25:54 Speaker 6

They don't know.

00:25:55 Speaker 6

You are no longer here. You are.

00:25:57 Speaker 2

Right.

00:25:58 Speaker 6

You get this to me. I'll make sure that the people that need it and then the business owners, the.

00:26:05 Speaker 6

No.

00:26:07 Speaker 6

The organizations organization and other people.

00:26:12 Speaker 6

That have the ears of the community, someone they should have someone there. That's how I feel. I'm tired of it all and all that. You have somebody here.

00:26:19 Speaker 3

Yes.

00:26:21 Speaker 10

That's that's what we're thinking is that we want this is a problem. It's not something that just our local governments can handle alone.

00:26:32 Speaker 10

And it's it's something everybody asked and and it also has to be one of those things where when projects come forward and they are intended to support people who actually make the wages that were creating jobs for like, there's this back on this thing I just sent out that said.

00:26:33

Thank you.

00:26:51 Speaker 10

If you if you have a one bedroom, the median rent here is almost \$1400.

00:26:57 Speaker 10

And you're not supposed to spend more than 30% of your income on housing. You'd have to make 20 almost \$27.00 an.

00:27:04 Speaker 7

Hour to afford that.

00:27:06 Speaker 10

And and not be in the.

00:27:07 Speaker 3

Water and most people don't.

00:27:09 Speaker 10

Make that and most.

00:27:10 Speaker 10

People that is above our.

00:27:11 Speaker 7

Average. Yeah, yeah.

00:27:15 Speaker 3

Age wage is.

00:27:16 Speaker 10

Rated the 10 most.

00:27:17 Speaker 10

Common occupations are below \$19.00.

00:27:20 Speaker 4

Pretty soon.

00:27:22 Speaker 10

So it's it's an, it's a really important conversation for the whole community to have and and I'm excited that we are convening it in such a way that it's not happening in some exciting.

00:27:39 Speaker 10

Awesome. Thank you, Sir. And we also are looking for sponsors.

00:27:43 Speaker 8

I want.

00:27:48 Speaker 10

So thank you. Thanks for that.

00:27:50 Speaker 8

Just wanted to share that we are about to the grant administration division.

00:27:55 Speaker 8

Is about to.

00:27:55 Speaker 8

Kick off their residential rehab program. So we've gotten over 202 hundred interested parties thus far.

00:28:06 Speaker 8

So we're going to hold something at the River Walk on October 17th and orientation.

00:28:11 Speaker 8

Mandatory orientation for folks to come in here. The parameters of the program, what they need to, you know, do how they need to sign in and use applications in the portal. We wanna make sure that folks are not submitting a paper driven application. We're trying to move from an analog system.

00:28:32 Speaker 8

And make sure that everything is recorded in timely manner, whether you've submitted all your documents or not, we won't be able to say you were denied because of a we don't want to say well.

00:28:45 Speaker 8

You know what do you all need money.

00:28:47 Speaker 2

No.

00:28:48 Speaker 8

This person doesn't like us, or that person doesn't like us, we don't want.

00:28:51 Speaker 8

To hear that.

00:28:51 Speaker 8

Kind of language. So we want to ensure make sure our portal is ready and available so that when November first hits all of these folks can go ahead and apply and we can distribute the funding as quickly as.

00:29:13 Speaker 6

Stuff.

00:29:14 Speaker 6

You say I'm.

00:29:15 Speaker 8

October 17th is the date that you selected.

00:29:18 Speaker 8

At the Riverwalk.

00:29:20 Speaker 8

5:30 PM.

00:29:24 Speaker 6

I'm not actually, I would like.

00:29:28 Speaker 6

I'll make sure I'll make.

00:29:29 Speaker 6

Sure, you get everything, everything.

00:29:33 Speaker 8

Thank you. Thank you for sharing.

00:29:36 Speaker 8

Also.

00:29:36 Speaker 6

Late.

00:29:40 Speaker 6

You're trying to grandson. Both people need to come give us going on, so it won't make excuses when they don't do the right and then they get denied.

00:29:41 Speaker 2

Right.

00:29:46 Speaker 2

Oh.

00:29:52 Speaker 6

City.

00:29:55 Speaker 6

They don't like me. I'm just telling how they only want to get the money to certain people and it's not. It's not that it's a good rule to follow. And now I.

00:30:10 Speaker 6

Didn't know they've.

00:30:11 Speaker 6

Done it before so I'm really happy that you're doing this now.

00:30:14 Speaker 6

You basically cut them out and give out back, yes.

00:30:20 Speaker 6

You don't come.

00:30:24 Speaker 6

Yeah, I just don't I I just want to make sure that they know about the.

00:30:29 Speaker 8

It's on socials already.

00:30:31 Speaker 2

So.

00:30:32 Speaker 6

I just want to make sure they know about the meeting, but I don't want to hear.

00:30:36 Speaker 6

I hear about it. I'm tired of that.

00:30:38 Speaker 4

You will.

00:30:39 Speaker 1

No.

00:30:43 Speaker 8

This is for residents of Fort Pierce Community rehabilitation on their homes. We we won't be we will stagger the other programs, the small business.

00:30:46 Speaker 6

Frederick.

00:30:52 Speaker 8

Program will stagger that to maybe December we would start collecting applications if we open all of the programs at once, we'll be inundated with.

00:31:01 Speaker 1

It's like little ship bids that come through the bathrooms. Get you?

00:31:06 Speaker 2

Yes.

00:31:08 Speaker 2

Yes, yes.

00:31:09 Speaker 7

Is that gonna be one for umm, rentals? Rent houses no one.

00:31:12 Speaker 8

No.

00:31:14 Speaker 8

No, no more runs.

00:31:16 Speaker 8

You've been burned pretty badly with with that.

00:31:21 Speaker 4

It's.

00:31:22 Speaker 8

We never want to see people homeless or unhoused.

00:31:26 Speaker 8

We want to make sure that the funding that we receive from the federal government.

00:31:31 Speaker 8

Is used appropriately and sustainably if we provide it to rental customers. We found that they're in the apartments for three months or 4 based on what we've given them first last.

00:31:48 Speaker 8

And three months worth worth of rent.

00:31:51 Speaker 2

And then they leave.

00:31:52 Speaker 8

They are not understanding that this is like a one time program where especially from the rental aspect that we offer you that this, that package at one time the following year they'll call and they'll say well is that.

00:32:04 Speaker 4

What we're program.

00:32:05 Speaker 8

Going on again, I got it.

00:32:06 Speaker 8

Last year? No, no, it's.

00:32:09 Speaker 3

Once in a lifetime may help you be stay.

00:32:14 Speaker 1

And what's the dollar amount we have to actually give out?

00:32:18 Speaker 8

Right now we have about \$1,000,000 we've combined ship and CDBG for all of the programs. These within these programs, they're caps. So there's certain amounts that we can, you know, go up to, but we have to provide program administration.

00:32:39 Speaker 8

We have to do facilities and parks, so \$1 million to cover all of those areas is not.

00:32:46 Speaker 7

A lot of money, no.

00:32:47 Speaker 8

We also have to use that part of that \$1,000,000 for down payment assist.

00:32:51 Speaker 2

And.

00:32:52 Speaker 3

It goes back to.

00:32:54 Speaker 7

Coming on to.

00:32:54 Speaker 9

What's the award not going?

00:32:56 Speaker 6

To be for not going to be.

00:32:57 Speaker 8

For resident, for, for shift, for for the.

00:33:01 Speaker 1

Previous.

00:33:03 Speaker 3

Rehabilitation up to 100,000.

00:33:07 Speaker 3

To fix that, because what we found we used, we used to do 50,000. But when you go into the home because there's so much older.

00:33:10 Speaker 2

Sorry.

00:33:18 Speaker 3

Being really needed a lot more. Well, the problem 30% fixing with the 100,000 is actually getting fixed. When we had 50,000, it was still stuff that needed to be done and then there, you know they had no.

00:33:21 Speaker 1

Instructions.

00:33:31 Speaker 4

Yeah.

00:33:32 Speaker 6

Issue.

00:33:33 Speaker 2

You have.

00:33:38 Speaker 10

The federal funds also required you to bring it.

00:33:41 Speaker 10

Up to code, yes.

00:33:42 Speaker 10

Parity, even if it's not like safety issue.

00:33:44 Speaker 1

100,000 more realistic because you can't get anything done to 50,000 and yes.

00:33:45 Speaker 3

And so it is and these.

00:33:48 Speaker 3

Funds are about.

00:33:49 Speaker 8

All you have to.

00:33:49 Speaker 8

Do like.

00:33:51 Speaker 8

Houses.

00:33:54 Speaker 2

Yes, she did.

00:33:54 Speaker 3

We have to share.

00:33:56 Speaker 3

I guess.

00:33:56

So we.

00:33:56 Speaker 9

Will have 5 awardees.

00:33:58 Speaker 3

Yes, yes. So last year I paid the.

00:33:58 Speaker 2

Yeah, basically.

00:34:00 Speaker 8

And peak to get annoyed and upset with that so.

00:34:02 Speaker 3

We found the out eight homes.

00:34:05 Speaker 1

If you're helping people get forward helpful.

00:34:06 Speaker 7

Eight last time it's better to.

00:34:08 Speaker 3

Help somebody in the body.

00:34:09 Speaker 1

People you know, it's better than 0 leverage that.

00:34:10 Speaker 8

Yeah.

00:34:12 Speaker 2

Exactly. So when the Max was that.

00:34:13 Speaker 3

They we, they.

00:34:14 Speaker 3

Have 8 applicants. Yeah, right, but they still.

00:34:18 Speaker 6

I always do more.

00:34:19 Speaker 3

Needed work like.

00:34:21 Speaker 3

One Lady's House needed 80,000. She needed a roof. She needed Macy's. She needed a bathroom. The bathroom didn't get done. She needed the roof, and she definitely needed.

00:34:24 Speaker 2

OK.

00:34:31 Speaker 3

AC. So those are the two. They got fish, but she still needed a bath.

00:34:36 Speaker 3

So we changed it to 100,000 in this way. When you get to that and what by changing it to 100,000, what I saw this year, nobody used tonight \$100,000, one house was 68, one was 65. There was only one lady, Miss Pierre, that was going to take up 98,000.

00:34:56 Speaker 10

98,000.

00:34:57 Speaker 3

And everybody else was anywhere from 46,000 to say 70,000. So there's still that little bit of money that can drop down and hope for another person.

00:35:04 Speaker 1

If you have more than one.

00:35:10 Speaker 8

So that that's our goal.

00:35:11 Speaker 7

So that's what everything on the.

00:35:12 Speaker 7

2017 orientation yes and then it opens November 1st, yes.

00:35:17 Speaker 8

And then we'll provide another orientation for our down payment assistance.

00:35:22 Speaker 8

We don't like I said.

00:35:23 Speaker 8

We don't want to cluster the programs and get people confused. We want to be able to save. If you're looking for a down payment.

00:35:31 Speaker 8

This is the orientation that you come to. This is the language that.

00:35:34 Speaker 8

We're going to be speaking.

00:35:35 Speaker 8

Here, we're not going to talking about rehabs. We're going to be talking about that being.

00:35:39 Speaker 8

Then there's the small business. And then there's the PSA grants public service agency grants where we give off, we give out about \$5000 a piece.

00:35:49 Speaker 8

For each of those to help to push a small business or or sustain a small business or sustain a PSA.

00:35:58 Speaker 3

Because we had all the.

00:36:00 Speaker 3

Programs open at one day and.

00:36:02 Speaker 2

It was. That was.

00:36:02 Speaker 3

Over 15.

00:36:07 Speaker 3

And then you have people that actually.

00:36:10 Speaker 3

Do not know what.

00:36:12 Speaker 3

Home purchasing assistance or down and assistance need? They don't understand the word rehabilitation, so they were filling out all three applications, you know, because they wasn't sure which was what.

00:36:25 Speaker 6

I'm glad.

00:36:27 Speaker 9

Let me go ahead and.

00:36:33 Speaker 7

Yeah.

00:36:34 Speaker 6

Sitting here, listening to all we got heard, I saw the facing.

00:36:39 Speaker 6

All we got is a.

00:36:40 Speaker 8

\$1,000,000 yes.

00:36:41 Speaker 6

Right, so all your face.

00:36:44 Speaker 6

There we go. Right there at the door right here.

00:36:50 Speaker 6

Save the ones you can knock on the door and tell him that he needs to.

00:36:55 Speaker 6

Go back up to.

00:36:56 Speaker 6

DC and give us some more money.

00:36:59 Speaker 9

That's what I was asking, but they they told me that it was predicated on the population. Yes, but I thought you could go either Tallahassee and DC and get a higher population.

00:37:00 Speaker 6

Give us more money, please.

00:37:12 Speaker 6

I'm trying to understand.

00:37:14 Speaker 2

OK.

00:37:15 Speaker 6

Hey.

00:37:17 Speaker 8

Maybe that's for Tallahassee, but maybe the federal side of things, yes.

00:37:21 Speaker 6

Where are you?

00:37:22 Speaker 2

Actually.

00:37:22 Speaker 6

The election. You OK?

00:37:26 Speaker 6

Next.

00:37:27 Speaker 6

Not go in the door. Call him and say hey, you know we we're.

00:37:32 Speaker 6

Using this million.

00:37:33 Speaker 6

Dollars. So for the betterment of residents in Fort Peters.

00:37:38 Speaker 6

Right.

00:37:39 Speaker 6

What can you do in your power? You you have a voice up there to give a 500,000 more \$250,000 more.

00:37:48 Speaker 6

Any increase you can give her and you put it in your budget that you when you get up there and say and we will.

00:37:54 Speaker 6

Show you where we'll put the money.

00:37:56 Speaker 6

If no one goes to him.

00:37:59 Speaker 6

And then that.

00:38:00 Speaker 6

It's not going to happen. I try to tell people, yeah, and they say, well, you are, Commissioner, won't you go?

00:38:07 Speaker 3

It's better when it.

00:38:08 Speaker 10

Comes.

00:38:10 Speaker 6

Commissioner and Commissioner, and a congressman, it's just, even if it was just two politicians course talking, that's all they did well, when the resident come.

00:38:13 Speaker 8

Functional.

00:38:19 Speaker 2

Tell them.

00:38:22 Speaker 7

Yes.

00:38:23 Speaker 6

They're not going to get the.

00:38:25 Speaker 9

It's.

00:38:26 Speaker 6

Actually this is what.

00:38:26 Speaker 10

Not only send him an invitation of the.

00:38:28 Speaker 7

House.

00:38:30 Speaker 9

What's the what's?

00:38:30 Speaker 5

The appropriate language in the general appropriation.

00:38:33 Speaker 6

Whatever you can make it out. I'm not. And I'm not. I'm not trying to be funny because they come up with names, they.

00:38:40 Speaker 6

Come up with.

00:38:42 Speaker 3

We need more funding.

00:38:44 Speaker 6

I'm very.

00:38:44 Speaker 3

And we really don't know the need.

00:38:47 Speaker 6

Everything going on with John.

00:38:51 Speaker 6

And the guy from FEMA.

00:38:52 Speaker 6

Said about running out of.

00:38:53 Speaker 2

OK.

00:38:57 Speaker 6

My.

00:38:58 Speaker 6

You know, people in North Carolina, right?

00:39:01 Speaker 6

We have to go back in couple weeks.

00:39:04 Speaker 6

And they got to call.

00:39:05 Speaker 6

Them back in.

00:39:07 Speaker 6

Watch how much money they're about to get.

00:39:12 Speaker 6

Would it be raining hands and we need to do this? We need to do this. We need to do this and they're going to get all this money. They just going their budget is going to spend. But anybody going to sit down because what they seek right now, they see this, this.

00:39:21 Speaker 9

OK.

00:39:23 Speaker 6

All these people in this world in north.

00:39:25 Speaker 6

Yeah.

00:39:26 Speaker 6

On two people in Fort Pierce started saying, look here I have a house that my electric bill is so high because I can't afford to escalate, can't afford to fix these monies. I can't afford to do all that. And even though FUS is half that program.

00:39:46 Speaker 6

You're trying to do.

00:39:46 Speaker 8

Mobilization program.

00:39:47 Speaker 6

They're trying to help.

00:39:49 Speaker 6

That's why I'm bills were so that these houses were built back when.

00:39:55 Speaker 1

Downshift.

00:39:55 Speaker 6

I'll just so it is more people come and make appointment.

00:40:00 Speaker 6

Make appointments with him, with his staff and more people come saying. Then he'll go see and look here. This is what we got going on. You you you can call you. You can calm down. You can call and you can call. And that's Tallahassee. That state money. It ain't several month because my broken hands state money.

00:40:21 Speaker 6

And federal money.

00:40:24 Speaker 3

Yeah.

00:40:25 Speaker 6

Yeah, there's like Red Lobster and a fancy both fancy seafood restaurants. You can you can that right? People are listening. Read lots of people do not be emailing because I put you all down. But I'm just saying.

00:40:36

The.

00:40:38 Speaker 8

We're just making a distinct.

00:40:39 Speaker 6

I'm. I'm just. I'm sitting here, Andrew.

00:40:44 Speaker 6

The feds, OK? But the feds print the money.

00:40:51 Speaker 6

Don't tell me there is no money because anything they want just watch.

00:40:57 Speaker 6

When they come back in session, how much money, how much money they're going to come up with?

00:41:03 Speaker 6

To help those people in North Carolina and Georgia in North Florida, North Florida, and I'm glad, I'm glad they're doing. But I don't want to hear there's no money because they when they want to do something, they're money. But to the residents and for the peers.

00:41:08 Speaker 9

No.

00:41:19 Speaker 6

Open their mouth and come knock on his door.

00:41:22 Speaker 6

Shingles.

00:41:26 Speaker 6

Not on his door and saying, hey, this is what we need. It's not going to change, but because he can go up there, he can go up there and stand up there and say, hey, guys.

00:41:36 Speaker 6

I'm trying to build a city.

00:41:39 Speaker 6

Give us this money under whatever program they come up with. Program come up with and then what you do is if he goes back in with your father real what he's going to do is if we get the money and then we build up this neighborhood, we build up, we build up used money to build these.

00:41:59 Speaker 6

He's going to stand at you with his chest high, saying look at what I did.

00:42:05 Speaker 6

You're right, I'm I'm trying to work. So guess what's going to happen? His neighbor, who sits by him in.

00:42:12 Speaker 6

The in the chair in DC.

00:42:14 Speaker 1

Say, wait a minute.

00:42:16 Speaker 6

Then he gives them his mind to go back to my community.

00:42:19 Speaker 6

So I can put my checks out and build houses for the homeless or both every 95. Now it starts to get the we're trying to do it this committee, it's starting to grow our country, but the residents of Fort Pierce have to come up with some speaking for themselves and.

00:42:36 Speaker 6

You know, I would talk to him, but you know.

00:42:40 Speaker 6

Thank you.

00:42:41 Speaker 8

And a public request was made to find out about CDBG funds. So last last year's funding so.

00:42:49 Speaker 8

I agree 1000% with Mr. Gaines. Go ahead and have the folks come up and ask the question.

00:42:55 Speaker 6

What part?

00:42:57 Speaker 6

Bombarded.

00:43:00

You.

00:43:01 Speaker 8

Our hands are basically tied in terms of what we can do with with.

00:43:05 Speaker 6

That \$1,000,000, just like I worked for three or four years, but I was elected by different ones and I worked for each one. But I tell everybody I worked for City of 14.

00:43:06 Speaker 6

You. You.

00:43:15 Speaker 9

Report.

00:43:18 Speaker 6

Are you as component work for us, right? We don't work for him. He works for us and unless we bombard him.

00:43:27 Speaker 6

You get tired of that e-mail. Like you, they get tired of saying e-mail and let me do something. Let me do something. Stop getting your e-mail and it's all. It's gonna be number. Put \$100,000.

00:43:39 Speaker 6

Into the pot, that's \$100,000 we have. And then do the turn around and show him how to use that extra \$100,000 he was.

00:43:46 Speaker 6

Like, OK, well, they'll be like.

00:43:48 Speaker 6

OK, let's get some more. And before you do.

00:43:50 Speaker 6

It the pipe is.

00:43:51 Speaker 6

Going, going broke. That's all I'm trying to say is I'm not going to be doing around here, not going to need door all. Damn damn. OK.

00:43:59 Speaker 6

They will come to a meeting. We fight down here. Shut down. She'll come to a meeting.

00:44:05 Speaker 4

She will. She will. She will.

00:44:11 Speaker 10

I think she's going to be honest. Yeah, she's.

00:44:16 Speaker 6

Both senator and.

00:44:25 Speaker 6

But you got people that were listening, but this for some reason people are scared to.

00:44:31 Speaker 2

OK.

00:44:32 Speaker 6

Come talk to.

00:44:32 Speaker 6

You at court.

00:44:34 Speaker 6

I don't know why I like.

00:44:36 Speaker 6

Like everybody here, sorry your organization is your organization, your business group. You got to come down. Say, hey, this is what I can do. This is what I can do.

00:44:46 Speaker 6

Accommodation for the house. You help me?

00:44:51 Speaker 6

Because you put it together, you gonna take your picture?

00:44:57 Speaker 6

I'm just telling.

00:44:58 Speaker 1

You not listen. I'm.

00:44:59 Speaker 6

Just telling you.

00:44:59 Speaker 6

How it works, I just. I'm just telling you.

00:45:01 Speaker 6

Work. So I'm just telling you how it works and because they want to go back to DC and they want to be able to say when they had their lameness and if you ever watched C-SPAN when they sit up there and ain't nobody in the chamber, but they still talking to the records are gone, they want to.

00:45:17 Speaker 6

Be able to say oh.

00:45:20 Speaker 6

15th St. Ave. whatever. And there's Little Big Town called Fort Pierce. I was able to do XYZ with this amount of.

00:45:30 Speaker 6

Money. Look at what?

00:45:31 Speaker 6

See.

00:45:32 Speaker 6

This this is what I need. This is what I need and so now I'm asking Mr. Chair, I'm asking for a little more money to get absolutely we can expand this.

00:45:41 Speaker 6

That's all they.

00:45:42 Speaker 6

Wanted to do.

00:45:45 Speaker 6

Until people come in and start talking to them.

00:45:48 Speaker 6

We we don't, we won't be able to do whatever. They won't keep spending out. They're gonna keep giving our million.

00:45:55 Speaker 6

Could we not stay if we don't ask more in their mind, that's all they need.

00:46:03 Speaker 8

It's not. It's not even a full million, it's a million combined CDBG.

00:46:08 Speaker 5

Right. So it is not just enough.

00:46:13 Speaker 2

There's nothing something what? Nothing.

00:46:17 Speaker 6

But I'm looking I'm looking.

00:46:22 Speaker 6

Save your home.

00:46:40 Speaker 6

00:46:43 Speaker 6

Yeah, that little pen. I don't get that little pen.

00:46:47 Speaker 6

The pen? Because when they went back to Tech capital, tell them to take their pens off. That's how it was identified. Everybody that little pen means a whole lot.

00:46:58 Speaker 6

These are whole.

00:46:58 Speaker 6

Lot the ones in the center, the little bigger but.

00:47:03 Speaker 6
