Re: Demolition Lien on Property Located at 715 North 20th Street

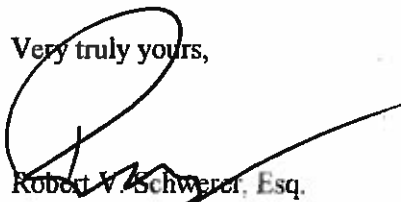

Dear Mr. Walker:

The City Commission at their regular meeting of November 5, 2012 approved the request to waive administrative fees, interest and penalties in the amount \$5,993.84 of the lien against the above referenced property conditioned on you paying the demolition lien in the amount of \$6,156.88 within twenty four (24) months. Once the amount of \$6,156.88 has been paid, the City will issue a release of lien for the property.

If you fail to pay the reduced amount of the lien(s) by the deadline established by the Commission then the lien(s) will return to the original amount, which will then be due in full.

Please call this office if you have any questions.

Very truly yours,

Robert V. Schwerer, Esq.
City Attorney
