

Congestion Management Project

US 1 @ OLD DIXIE HWY.

Prepared By:
Fort Pierce Engineering
Department

October 28, 2014

US 1 @ OLD DIXIE HWY. - LOCATION

US 1 @ OLD DIXIE HWY.

Overview

- Proposed improvements would be the construction of a center median on US 1 to prevent left turns from Old Dixie Highway.
- Either a concrete or raised landscaped median would be constructed commencing approximately 60' north of the intersection and extending approximately 350' south.
