Ms. Libby Woodruff, Grants Administrator  
City Hall, 100 N. US 1  
Fort Pierce, FL 34954

Subject: CDBG grant

Dear Libby:

It occurred to me the other day that I had been remiss in not formally thanking you for all your help with the subject grant awarded to the Treasure Coast Youth Sailing Foundation. It would have been difficult for the Foundation to comply with all its conditions and requirements without your patient help and assistance.

I sincerely hope city officials recognize your skill and dedication to the position to which you are assigned. You are an excellent representative for the City of Fort Pierce.

On behalf of the Foundation, its Board of Directors and especially its students and their parents, 'Thank You' for a job well done.

Sincerely,

Roy M. Whitehead
