Dear Ms. Grohall,

I would like to take this opportunity to commend one of your exemplary employees, Mr. Kori Benton.

As Broker for a prominent commercial brokerage company on the Treasure Coast, I frequently have a need to call upon the resources of governmental departments at area municipalities. Whenever I've had a need for zoning, building, or land use related information in Ft. Pierce, Kori has always gone beyond the call of duty to assist promptly in providing critical information. I'm sure you already know but Kori is a terrific resource in your department and an excellent Ambassador to the City of Ft Pierce for anyone seeking property related information or simply looking to learn more about the City.

All too often there are individuals that give more than required but are not recognized for their efforts. I wanted you to know that Kori is certainly deserving of recognition for his contributions to the City.

Sincerely,

Michael A. Yurocko  
Vice President, Broker
