RE: Commendation Letter for Building Department and Kim West, Permit Specialist,  
from Mears Construction

---

The vast majority of correspondence, whether written or verbal, that the Building Department receives is of a negative nature. Because of the types of issues that the Building Department personnel deal with, people are usually complaining, so it is quite refreshing to receive letters and e-mails like the one attached.

Please provide the Building Department staff and Kim West, Permit Specialist, with the recognition they deserve by having this commendation read at the next available Commission Meeting.

Thank You,

Marc Meyers, CBO, CFM  
Building Official
