March 25, 2015

Dear Chief Amandro,

On February 3, 2015, our school Positive Expectations Academy was hit by a car. The car demolished the exterior wall of the school office. This was extremely traumatic for our students and staff. Thanks to the swift response of the Fort Pierce Police Department chaos was turned into order.

Please share our photo and sincere thanks to the officers that responded.

On behalf of Linda Melton, Daniel M. Foundation, Chairman of the Board of Directors

Sharon Morris, Principal

The Daniel M. Foundation Inc. mission is to enhance the quality of life for children and families struggling with emotional and behavioral issues through educational and behavioral support services.
