Dear City Clerk,

It is a distinct pleasure, and honor, to write a brief note of commendation recognizing the consideration, efforts, professionalism, and time of Manager Arraiz; Animal Control Officer Gasparre; Investigator Coss; and Police Officers Hall and Spotts, and of your law enforcement personnel generally, in their responses to me, and other citizens of the Admiral Street Crime Watch neighborhood, over the past.

Over many months, they have shown their sincere concern, promptness, and thoroughness, in addressing our many concerns, regarding the neighborhood. They have helped, very much, in making this a more decent, peaceful, and safer place to live and work.

I'll mail a more formal letter in the coming days.

In the meantime, please let me know if I can, in any way, shed more light on these worth public servants.

Respectfully

Fidel Iglesias
