Re: Funding Request

Attn: Chief Amandro

Sir:

The mission of MAD DADS is to bring about positive change. MAD DADS seek out, encourage, motivate, and guide committed men in the struggle to save children, communities and ourselves from the social ills that presently plague neighborhoods.

MAD DADS Ft. Pierce Chapter is asking that your department, please, give attention to this request of funding to attend the 'Prevention of Crime in the Black Community' workshop to be held in Tampa, Fl. (May 27-May 29). It is the consensus of this organization that such disclosure to our young boys will be beneficial—encouraging, motivating and positive influence.

It is the desire of this organization to invite several young boys to attend, along with the necessary chaperone(s). Thank you for your attention to this request. Of course, this organization is very appreciative of your past support of its efforts.

Respectfully,

Robert Brown
