The Honorable Linda Hudson
Mayor of Fort Pierce
100 North U.S. #1
Fort Pierce, FL 34951

Dear Mayor Hudson:

Thank you so much for taking time out of your busy schedule to visit the Waterfest at JC Park yesterday. Having you there meant so much to the citizens of Fort Pierce.

As we were promoting our biggest asset in the city, our beautiful water, there were over 650 folks that took advantage of the free use of the different types of non-motorized watercraft that are available in our area.

With all of these people in and around the water, it was necessary to have the Fort Pierce Marine Patrol present in case of any emergencies. The officers, Keith Holmes and Brian Avilla, could not have been nicer and are a great asset to our police department. They answered all questions asked of them in a courteous manner and were very responsive when we had a watercraft in distress. In these times, police officers are being disparaged due to the acts of a very small minority within the departments. It is so nice to see our officers interact with our citizens so they can foster a personal relationship with our police units.

Again, Mayor Hudson, thanks for your support and hopefully, we can make this an annual event. The turnout was amazing.

Sincerely,

Charlie Hayek
