I, Jasmine Wimes, do hereby submit this Petition in request for a reduction in the total amount of the penalty imposed and in support offer the following statement:

I Am asking for all fee removal and interests on the property. I was given the property from my parents who had the property willed to them from a close friend after passing. I am a full time graduate student and part time worker, I have brought the property taxes up to date and have been attending to the upkeep of the property.

I am at this at a financial stand still that I am not able to pay the fees that has been added to property and would very much appreciate if all fees could be removed ~~and~~ so that I can continue to take care of property without additional penalties. ~~IF~~
