Dear Mr. Mimms:

Thank you for your approval for Paul Bertram to assist Sword Outreach Mentoring and Research Center (SOMRC) with the Parkland Court Clean-Up event held on May 23rd, 2015. As you know, needy families and young individuals in our community who go without the proper tools to access jobs, school supplies, and positive direction due to a variety of factors including low wages, job loss, injuries, illness, age, domestic violence and more. While all of us are susceptible to hard times, the children and family members within our community are one of many that are at the most risk, and they make up the largest number of clients we serve.

With the generous support of people like you, we will be able to help many of these youth and individuals not only to meet essential daily needs, but to work toward a brighter future with programs in job training, education, counseling, youth camps, extracurricular activities and much more.

For more information on how to keep contributing your time and efforts and to help to make a difference in the lives of so many in our community, we invite you to visit SOMRC at your convenience.

You can also find information there on our upcoming events for this year and volunteer opportunities.

Thank you again, and we look forward to your continued support.

Sincerely,

Terrence A. Beauford
