CITY MANAGER'S OFFICE

Dear Mr. Bradshaw:

We are very appreciative of the donation of \$100.00, which we received on July 14, 2015. It is because of donors like you that we are able to "keep 'em flying", and our mission can continue. Our financials clearly indicate that 97 cents of every dollar are applied directly to our cause...flying our patriots to Washington, DC before it's too late. As you likely know, the average age of our Veterans is readying to exceed 90 – *time is not on our side*. The time is now, each flight is precious, and each one requires countless volunteer hours and sufficient funding to bring to fruition.

We successfully completed two spring flights already this year and are planning on two in the fall. In addition to 4 flights last year, we were honored to be the only hub in the USA selected to put together a special, 3-day flight for 65 D-Day Veterans from June 5 – June 7, the 70th anniversary of Operation Overlord. This spectacular mission was a once-in-a-lifetime experience for everyone involved.

On behalf of the Board of Directors and all the Veterans we serve, thank you again for caring so much for our Veterans and our mission to honor them. It means so much to all of us.

Sincerely,

Todd Tucker
Chairman, Southeast Honor Flight
