The Honorable Linda Hudson
Mayor of Fort Pierce
100 North U.S. #1
Fort Pierce, FL 34951

Dear Mayor Hudson:

For quite some time, the city has had a receptionist at the front desk as you enter the building. For the first time, however, when I entered the building, I was greeted with a nice "hello" and then "can I help you?" This has not happened before

The new person is Pauline Lewis and she should be commended for being so personable and giving the impression that the City of Fort Pierce is a very friendly place. First impressions matter, and Ms. Lewis helps to reinforce a good impression for the city.

Please let all of the city's employees know just how important it is to make Fort Pierce be a place where you want to come and be part of our town.

Sincerely,

A handwritten signature in black ink, appearing to read "Charlie Hayek".
