RE: **Proposed General Fund Budget Transmittal Letter 2016**

DATE: July 3, 2015

Presented is the proposed General Fund Budget of \$34,552,138 for fiscal 2016; which is \$285,060 more than last fiscal year. The budget is prepared to ensure that the ongoing operations of the City are able to be carried out and financed for the said period. A balanced budget is presented even though it does not have everything that the City needs to provide the customary level of services, it does have the essential staff and operational expenses to cover the City's needs for fiscal 2016.

The significant elements that formulate the budget of General Fund are as follows:

1. The estimated taxable value of property for operating purposes, from the Property Appraiser, is \$1,947,781,445. Recently, annexed property was not included in the total. The annexed property value is \$37,237,018 adjusting the taxable amount to \$1,985,018,463. The budget as presented is using the current millage rate of 6.5786. The current millage rate and adjusted taxable value will generate \$12,405,710; or \$590,544 more than fiscal 2015.
2. To balance the budget \$759,056 is being appropriated from fund balance. An appropriation of \$550,000 was designated from fiscal 2015 ad valorem taxes and \$209,056 is being used from the remaining designated unrestricted fund balance in fiscal 2014.
3. Included are pay increases for bargaining and non-bargaining groups. The Teamsters pay increase is 3% or \$.50, adding \$124,106 to the budget. The Police increase is approximately 4% at a cost of \$256,494. The non-bargaining pay increase is 3% at a cost of \$134,642. Salary increases coupled with benefits total \$515,242.
4. A net 5 employees were added to General Fund's roster. Five police officers were added due to the expiration of a police grant from the Federal Government.

5. The retirement contribution rate increased .42% for general members and 0% for police officers.
6. There is .3% increase in insurance premiums for health coverage for City employees; the increase is being absorbed by the City. Life insurance premiums decreased, after changing insurance provider, the net difference in the two resulted in the City saving \$3,694.

A comparison of the expenditures from 2015 to 2016 is displayed in the chart below.
