Based on our reviews and appropriate site final inspection, we Recommend; Do Not Recommend

- Approval Building Permit C/O

Developer, Owner, Engineer, Contractor and other members of the Development Team must be aware, the above recommendation is based only on the construction requirements of the engineering plans and other engineering documentation approved by this department. The Development Team shall be responsible for the compliance with other City department requirements and all approved documents, as well as Local, State and Federal regulations. The development requirements for this project may necessitate additional construction requirements that are not subject to this department's review for approval.

- See attached for comments

1. A Quit Claim Deed was recorded in 1964, deeding a parcel of land to be used as right-of-way to the City of Fort Pierce. This parcel which lies east of the current Indian River Drive right-of-way, which is maintained by St. Lucie County, has been retained by the city and not used over the years. Based on this fact we are recommending the approval of the abandonment request of this parcel, pending the successful recording of any appropriate easements for any encroachment of roadway, sidewalk or utility improvements.
