Law requires this Local Business Tax Receipt to be displayed conspicuously at the place of business in such a manner that it can be open to the view of the public and subject to inspection by all duly authorized officers of the county. Upon failure to do so, the Local Business Taxpayer shall be subject to the payment of another Local Business Tax for the same business, profession, or occupation.

Pursuant to State Law, all Local Business Tax Receipts shall be sold by the Tax Collector beginning July 1st of each year and shall expire on September 30th of the succeeding year. Those Local Business Tax Receipts renewed beginning October 1st shall be delinquent and subject to a delinquency penalty of 10% for the month of October, plus an additional 5% penalty for each month of delinquency thereafter until paid; provided that the total delinquency penalty shall not exceed 25% of the Local Business Tax for the delinquent establishment.

In addition to the penalty, the Tax Collector shall be entitled to a collection cost fee of from \$1.00 to \$5.00, based on the amount of the Local Business Tax, which shall be collected from delinquent taxpayers after September 30th, of the business year.

This receipt is a Local Business Tax only. It does not permit the Local Business Taxpayer to violate any existing regulatory or zoning laws of the state, county or cities. It also does not exempt the Local Business Taxpayer from any other taxes, licenses or permits that may be required by law.

Local Business Taxes are subject to change according to law.
