Comments / Explanation:

Ameracat is the original manufacturer of the boat and the only vendor that will accept and provide the Fort Pierce Police Department a trade in allowance for our existing engines that are out of warranty. By doing this, we are not only able to save \$6000.00 dollars on the cost, but also able to use our existing equipment to mount and rig the new engines saving additional money.

On the basis of the foregoing, I recommend that competitive procurement be waived and that the service or material on the attached requisition be purchased as a sole source commodity.
