## SYNKOSKI CONTRACT ADDENDUM: 500 ORANGE AVENUE FORT PIERCE, FL

As proud residents of Fort Pierce, Florida for over 10 years we respectfully submit our offer to purchase the property located at 500 Orange Avenue. We see outstanding potential for this historic structure prominently located at the corner of Orange Avenue and 5<sup>th</sup> St, and our vision for this structure would be to create a unique retail/entertainment/information center that would serve as a shopping and social gathering location for the public.

Fort Pierce offers visitors and residents an abundance of activity choices. Recreational, cultural, artistic, botanical, historic and educational are just a few of the words that can be used to describe activities available to visitors and residents of Fort Pierce.

Our goal in the development of this unique and historic structure would be to create a retail destination that would serve as a gateway and ambassador to the city providing visitors and residents information, essential products, unique retail offerings and services that would enhance the enjoyment of experiencing activities in the area. Product offerings would include recreational products and apparel, basic beachwear and accessories, unique one of a kind jewelry, local crafts and artistic works, handmade candles, purses, fashion accessories, home décor, books, unique holiday cards, decorations and stationary, children's items and much more.

In addition to the retail offerings of the center we plan to offer a selection of some of the most popular local food & beverage items that would include fresh squeezed orange juice, handmade chocolates, fresh made fudge and other items produced by local purveyors in a setting similar to what you may see in a "country store" environment. We may also feature a section of fresh baked breads and pastries delivered daily from local bakers and possibly a small sandwich shop, deli and a fresh made ice cream or gelato offering.

We are also looking to add a small specialty coffee roasting operation selling whole bean and ground coffee bags along with a selection of fresh brewed coffees, teas and made to order espresso based drinks.

While there are still many details to finalize relating to the design elements, concept and product offerings, service style and overall ambience of the experience we feel that our preliminary vision for this building will be a very welcome addition to the area showcasing some of the best that Fort Pierce and the surrounding area has to offer.

We plan to utilize the unique design elements of the current building interior in the development of this "marketplace". We even have plans to maintain the old jail cell in a way where it will become a very unique tourist attraction. I have attached a photo of a retail operation that provides a broad example of our preliminary vision for the design of this space.

The long term success of this venture will be dependent on our ability to create both a "destination stop" for new and returning visitors as well as a daily "gathering and shopping point" for residents and local business and government associates.

To this end I provide a summary of my experience in successfully bringing similar visions to life in other venues. I have been an executive in the hospitality industry for over forty years. I am currently a partner in PremAIR Hospitality Group, LLC a wholly owned subsidiary of the Newslink Group ([www.newslinkgroup.net](http://www.newslinkgroup.net)). Our company is a dynamic, innovative, world class, award winning operator of Food, Beverage, Specialty Retail and Newsstand operations in various airports across the United States. I encourage you to view the website highlighted above for more information on this company.

Prior to joining NewsLink I was the Senior Vice President of Development at Host Marriott. I have been involved in the airport concessions industry for over 25 years with responsibility for the development of numerous high profile projects relating to the operation of food, beverage and retail concept offerings in this venue.

Airports are the gateway to the cities and areas they service. The first impression many travelers get of a new destination is often at the airport. Creating a destination themed shopping experience and "sense of place" reflective of the surrounding area is critical to the success of these operations. I can proudly highlight that I have successfully manifested this vision on several occasions and examples of this success can be seen in numerous airports throughout the United States and around the world.

Partnering in this development effort will be Mr. Steve Johnston of 28/20 Design Group. Steve has been a Creative Director and a Designer for over 30 years and has been recognized both nationally and internationally by countless industry medals and awards.

Steve's creative path began in broadcast, working for broadcast television stations from Boston to San Francisco. Steve eventually landed in Atlanta where he created designs and brands for television stations and cable networks around the country and internationally including the 100<sup>th</sup> Anniversary of the Olympics. Steve eventually made it to Florida where he was one of the original creators of the Golf Channel, which is still one of the most successfully launched private cable networks created today, eventually acquired by NBC/Comcast.

Steve then founded 28/20 Design., an integrated media studio, working with clients that included International Banks, NBC, ABC, Atlanta Olympic Broadcasting, the Discovery Channel, Marriott, Walt Disney World, Hilton Grand Vacation Club, TBS, Coca Cola, Fox Sports, The Hard Rock Café and a host of others.

This broad range of multimedia experience and creative expertise will be an invaluable resource in the design and development of this exciting project. Steve has a passion for restoring and preserving the integrity of historical structures for public use and his creative juices were overflowing the minute he set foot inside this building.
