### STAFF REPORT

Staff is requesting the approval of a voluntary annexation application for a parcel located at 3255 S US Hwy 1. This property is currently zoned CG, General Commercial with a COM, Commercial future land use. Once annexed, this property will receive a C3, General Commercial and GC, General Commercial future land use.

It has been confirmed that the property is located within an unincorporated part of St. Lucie County (SLC) and that the parcel is contiguous to the municipal boundary.

#### *Comprehensive Plan*

Consistent with Objective 1.11 and Policies, 1.11.5 and 1.11.6 of the City Comprehensive Plan, the City shall evaluate proposed annexations within the urban service boundary based upon the following criteria:

1. The ability of the City to provide public services at a level equal to or better than that available from the current service providers;
2. The ability of the City to provide public services at the City's adopted levels of service;
3. Whether the annexation would eliminate an unincorporated island or could be expanded to eliminate an unincorporated island; and
4. Whether the annexation would eliminate an irregularity or irregularities in the City's boundaries, thereby improving service delivery.

Properties annexed shall receive a Future Land Use designation compatible with the SLC future land use designation assigned, unless otherwise approved by the City Commission. In addition, general City policy is that annexed properties shall receive a zoning classification consistent with the SLC zoning classification; if the City Code does not provide such a classification, the SLC classification will remain until the request is made by the property owner for a zoning change to a City classification.

Pursuant to the Future Land Use Element of the Comprehensive Plan, annexations are reviewed for fiscal impacts, the effect upon adopted level of service standards for public facilities and the elimination of the municipal boundary irregularities to improve service delivery. With a millage rate of 6.5786%, taxable revenue for the property located on 3255 S US Hwy 1 is estimated at \$3,008.

***Staff Recommendation***

Staff recommends that the Planning Board forward a recommendation of **approval** to the City Commission to annex these parcels into Fort Pierce City Limits as it furthers the goals, objectives and policies of the Comprehensive Plan.
