Re: Dogs and Golf Cart Complaint at 612 Wisteria Avenue

=====

Officer Mark Acevedo made contact with Ms. Florencia Tavera, who is the mother of the girls in question. She was warned that it is illegal for her daughters to operate the golf cart on either the street or sidewalk. Ms. Tavera acknowledged that she understood. Animal Control removed three of the six dogs who were running loose on Friday night.

The patrol lieutenants have also been instructed to close patrol the location for the next two weeks to ensure there are no further problems.

Please let me know if there are any further concerns.
