Grantees desire to obtain from CJNA and CJNA desires to convey to Grantees a nonexclusive, permanent easement for ingress and egress over and across the existing roadway located on the CJNA Real Property, as more particularly described on Exhibit E attached to this Agreement (the "Easement Area").

In consideration of the mutual covenants, terms and conditions set forth in this Agreement and other good and valuable consideration, the receipt and sufficiency of such consideration being hereby acknowledged, the parties agree as follows:

AGREEMENT

1. CJNA hereby grants to Grantees a nonexclusive, perpetual easement for ingress and egress over and across the roadway currently existing within the Easement Area (the "Easement"). The Easement shall run for the benefit of the Grantees and Grantees' heirs, successors and assigns.

2. The Grantees will repair and maintain the roadway within the Easement Area in a manner reasonably acceptable to CJNA, at the Grantees' cost and expense. In the event CJNA uses the roadway, CJNA agrees it will share the cost of repair and maintenance of the roadway based upon its usage on a prorata basis.

3. The Johnsons agree to pay for the installation of a 6 foot chain link fence with 3 strands of barbed wire on top, such fence to run from an iron pipe at the southeast corner of the WM property (computer point number 10026); thence easterly 330 feet; thence south approximately 60 feet to the southern property line of the of the CJNA 9.21 acre tract; thence easterly on the southern boundary of the CJNA 9.21 acre tract approximately 165 feet to an pipe at the southeast corner of the CJNA 9.21 acre tract (computer number 10063); thence southerly along the western boundary line of CJNA's adjacent property approximately 1,846 feet to the North St. Lucie River Water Control District Canal No. 101 (computer number 10062). The Johnsons agree to pay for the installation of the fence within 3 months of the effective date of this Easement Agreement.

4. Once installed, the fence becomes the property of CJNA. CJNA agrees to repair and maintain the fence at its sole cost and expense; provided, however, that in the event any of the Grantees damages the fence, the Grantee responsible for the damage agrees to pay the cost of repairs.

5. Grantees agree that neither Grantees nor their employees, agents, contractors or invitees will use the Easement area to transport hazardous materials or hazardous waste;; provided, however, that the Easement Area and roadway may be used for delivery of fuel, batteries, oil, etc. that are normally associated with the ordinary course of business by Grantees on their adjacent parcels and for use in or the conduct of their respective operations.

6. Grantees agree to indemnify, defend and hold harmless CJNA, its successors and assigns, and its employees, agents, directors, officers and affiliates from any and all losses, liabilities, damages, claims, suits, fines, penalties, costs or expenses (including but not limited to reasonable attorneys' fees), or injuries to any persons or property arising out of or resulting from: (i) the acts or omissions of Grantees, their agents, employees, representatives, contractors, and invitees occurring within the Easement Area; (ii) the use, occupancy and presence of Grantees, their agents, employees, representatives, contractors, and invitees within the Easement Area; and/or (iii) the breach by Grantees of any obligation or covenant contained in this Agreement. Grantees' obligations under this indemnification provision shall survive the termination of this Agreement.

7. The Grantees, or any of them, will have the right to terminate their use of the Easement Area by providing written notice of the same to CJNA, by registered or certified mail,

whereupon the said Grantee's grant of easement will be terminated, and Grantee will cause to be recorded in the public records a Release of Easement thereby relieving Grantee of any and all further obligations under this Agreement.

7. The provisions of this Agreement shall not be deemed (i) an interest in the roadway to constitute a dedication of land for public use; and (ii) to confer any rights in the general public.

8. This Agreement shall not be amended except by written agreement executed by CJNA and Grantees.

9. This rights and obligations in this Agreement shall be covenants running with the land and shall be binding upon CJNA and Grantees and upon their respective heirs, successors and assigns.

10. This Agreement shall be governed, construed and interpreted in accordance with the substantive laws of the State of Florida, without regard to its conflicts of laws provision.
