

Mayor Linda Hudson
100 US 1
fort pierce, FL 32982

Dear Tree City USA Supporter,

On behalf of the Arbor Day Foundation, I write to congratulate Fort Pierce on earning recognition as a 2016 Tree City USA. Residents of Fort Pierce should be proud to live in a community that makes the planting and care of trees a priority.

Fort Pierce is one of more than 3,400 Tree City USAs, with a combined population of 140 million. The Tree City USA program is sponsored by the Arbor Day Foundation in partnership with the U.S. Forest Service and the National Association of State Foresters.

As a result of your commitment to effective urban forest management, you already know that trees are vital to the public infrastructure of cities and towns throughout the country, providing numerous environmental, social and economic benefits. In fact, trees are the one piece of community infrastructure that actually increases in value over time.

We hope you are excited to share this accomplishment. Enclosed in this packet is a press release for your convenience as you prepare to contact local media and the public.

State foresters are responsible for the presentation of the Tree City USA flag and other materials. We will forward information about your awards to your state forester's office to coordinate presentation. It would be especially appropriate to make the Tree City USA award a part of your community's Arbor Day ceremony.

Again, we celebrate your commitment to the people and trees of Fort Pierce and thank you for helping to create a healthier planet for all of us.

Best Regards,

Dan Lambe
President
