

Mr. Benton,

On behalf of our client, we're seeking a one (1) year extension to the approved site plan for Wawa at 5575 Okeechobee Road.

As we discussed over the phone, due to SFWMD and FDOT comments we are still in the permitting process for the Wawa at SR-70 & Jenkins. As a result, we will need a Site Plan extension to the current approved site plan. The appropriate fee has been filed accordingly.

I hope you and the team have seen the progress at the site as Wawa prepares for final permitting and construction.

Please let us know if there is anything else you need from us to complete this request. We appreciate your time and help as always.

Thank you very much,

Sergio Martinez
