Ms. Kris Einstein  
207 ½ Orange Avenue, Suite K  
Fort Pierce, FL. 34950

Dear Ms. Einstein:

As part of your conditional use approval on November 6, 2017 for the operation of a Bed and Breakfast at 515 S Indian River Drive, the City Commission required that you file for and obtain a City of Fort Pierce, County, and State Business Tax Licenses within fourteen (14) days of Conditional Use approval. We are unable to issue a BTR until you are able to secure your license from the DBPR which will require the modifications you have discussed with the Building Department. Accordingly, we simply request that you apply for your BTR within fourteen (14) days of receiving your DBPR license. The delay in your application will in no way impact your conditional use approval because such delay is outside of your control. I have confirmed this position with the Planning Department.

Very truly yours,

Linda W. Cox  
City Clerk
