WHEREAS, Part III of Chapter 163, Florida Statutes, allows a county or municipality to create a Community Redevelopment Agency (CRA) to carry out redevelopment of slum or blighted areas when certain conditions exist; and

WHEREAS, examples of conditions that can support the creation of a CRA include the presence of substandard or inadequate structures, a shortage of affordable housing, or inadequate infrastructure and insufficient roadways; and

WHEREAS, CRAs are community redevelopment programs designed to eliminate slum or blight conditions and to enhance quality of life and business conditions for residents and business owners in a community redevelopment area; and

WHEREAS, CRAs have demonstrated that the use of Tax Increment Financing dramatically improved the economic and social outcomes within the targeted areas; and

WHEREAS, CRAs have proven historically to provide housing and make urban areas safer for residents, preserve and grow business, and provide improved, safe and clean places for all who live there; and

WHEREAS, CRAs have proven historically to provide distressed communities with a better business environment through improved infrastructure, preservation and growth of businesses and job opportunities; and

WHEREAS, these outcomes benefit both cities and the counties and, more importantly, their taxpayers; and

WHEREAS, there are 222 active CRAs in Florida, established to encourage new investment and job creation in urban areas that became blighted as a result of substantial growth moving away from the urban core; and

WHEREAS, municipal residents and local businesses pay local taxes and assessments in CRA areas for the specific purpose of obtaining and enhancing their desired level of municipal services and amenities; and

WHEREAS, CRAs are funded using local taxes and do not rely on state funds; and
