Comments / Explanation:

Due to the uniqueness of purchasing law enforcement canines (K-9's), the police department is requesting approval to purchase three (3) K-9's from either of the listed vendors or a combination thereof. Each K-9 is review, inspected, and evaluated inn order to be placed with one of our K-9 Officers. The purchase of these K-9's is dependent upon the number of K-9's at each kennel (vendor). The vendors may not have the required number of K-9's that pass inspection to fulfill the police department's needs, which is why we are asking for the ability to purchase these K-9's from both vendors if needed.

On the basis of the foregoing, I recommend that competitive procurement be waived and that the service or material on the attached requisition be purchases as a sole source commodity.
