Subject: Great performance

Dear Chief Hobley-Burney:

Just a few words to say thank you, and for having good officers in your department.

I'm sure that you are aware within your department that your officers are dependable and have great performance. Of course, I can only speak for the officers that I invited to my church on October 29, 2017.

Officer Fossella (hope that's the right spelling), and a few of your officers came to my church, Zion Hope Miss., Baptist Church, on said mentioned date above, to speak on my behalf, which I was in the hospital. But I was told what perfectionism with great performance your officers showed.

Since we the people, likes to complaint on the bad things, I, Dorothy Ingram, would like to turn the complaint into a big praise, to the one's that made a difference.

To have officers as these, shows a great leader.

Thank you
Dorothy Ingram
