CITY OF FORT PIERCE

We are a company dedicated to the food business. We are a restaurant with a family atmosphere dedicated to satisfy the tastes of our community for some time. Always seeking to improve and provide a better service, we focus on expanding capacity and giving options to our customers.

In this opportunity, we want to express our intention to put into operation a new public parking, in the lot of land located at 301 Florida Ave, Fort Pierce Fl 34950, which would be used not only for our customers, but also, for the general public of the area. Our interest would be the first 12 parking spaces of said parking and the rest for the use of the residents, merchants, etc., at a minimum cost.

This parking lot would help business customers in the area, and visitors to the city. And would give a better look, given that the land where the parking would be located is not in the best shape. We are in knowledge that some work need to be done in order to have a nice and safe environmental, good look of said place.

Our company is fully convinced that this project will bring nothing but positive consequences for the City of Fort Pierce, residents, and visitors.

Proposal

City of Fort Pierce:

In view of our interest in the land located at: 301 Florida Ave, Fort Pierce Fl 34950, which we think would be for the benefit of the city and its residents and visitors, since we would build a Public Parking with the benefits we have already mentioned, And as it is known that the land was use for Vehicle repair in the past, it is possible that some type of contamination is found according to the Environmental Department. We are willing to make an additional investment that includes paving the place. Our project is to build a Public Parking for our customers, customers of the other businesses in the area, visitors and residents of the city.

It would be important that the City of Fort Pierce and our Company to work together so that way this project will develop as soon as possible.

The main reason that led us to consider the purchase of the land, is the need for our business of having 12 additional parking spaces, which is very important. In addition we already have the Business experience in the City of Fort Pierce because we operate another Restaurant known as "Pueblo Viejo" and it is our desire to grow in this city and to help the city to continue growing, offering our service to residents and visitors.

For any questions or enquiries, please do not hesitate in contacting us.

Thank you in advance for your attention in this matter.

Sincerely:

By COSTA SEAFOOD & GRILL
