Hi Mr .Shaun, I request to set the hearing with your recommendations to cap lien at \$2000 .Owner is already in financial hardship to pay property tax .I will truly appreciate your kind recommendation, to dispel owner impression of being discriminated,targeted while there are more than 70 percent houses in Ft pierce are in dire need of repairs and similar tough citations but are deliberately overlooked .I strongly hope you will upkeep feelings of justice for all.I urge at the same time do inspection of other Ft Pierce homes which were built in 1970s or earlier and aggressively cite those as was done to me .Strongly hope you will resolve this issue at your level with recommendations to cap lien at \$2000.Looking forward to settle it at city level before taking issue to higher courts .Thanks
