Fort Pierce Code Enforcement
Re:1303 Florida Avenue
ID: 2409-821-0003-000-3
Case #15-1197

Dear City of Fort Pierce:

This letter is to formally request a reduction on violation fines on 1303 Florida Ave in Fort Pierce. I want to apologize for not resolving this matter in a timely manner, we had a communication problem with our general contractor. When I was first notified of the problem, I immediately contacted a general contractor to pull out a permit, as my mistake I relied on him to complete the work in a timely manner. I had every intention of resolving this problem on time.

I hope to receive a favorable reply in writing, or information if I need to request a hearing to have the fines reduced or rescinded, as now the property comes into compliance with code enforcement.

If you have any questions or would like any more information about my situation, I can be reached at 321-652-2853/321-458-2128 or at meli.v@live.com.

Thank you for your kind consideration in my time of difficulty.

Sincerely

Jose A Garcia
